Coaches Report:

A great day with the U/18s', Reserves and Seniors all having wins for the first time in a while. I was very pleased with finally securing our first back to back wins for the season. The playing group and the leadership group once again followed through on their words during the week which is a good sign moving forward. Pines tried to put us and in particular a couple of our players off their game however our players just kept winning the hard ball which showed maturity. We were certainly RUTHLESS and played 4 strong quarters of football with all 22 players making significant contributions. This week is a big test with an opportunity to win 3 in a row, keep in touch with the top 4, finally knock off YCW, which is long over due and to be taken seriously as a top 4 side. The last time we met they beat us by less than 3 goals with a lack of discipline costing us on the day. I think we gave away 4-5 50m penalties which all resulted in YCW goals. I'm sick of playing the Victim against this mob; for the 2hrs this Saturday I want us to be the Tyrants, Bullies and Intimidators. YCW hold no fears for us, we have been doing the hard work and have a healthy level of self belief with a couple of strong performances behind us going into this game. We will be making a few changes for this week which after a massive win is tough for the boys that miss out but also a positive in that we need to have a premium on a spot in the senior 22 going into the second half of the year – something we have not always been able to do. Anything less than 22 Bulls giving 100% will not be good enough so the time is now to be RUTHLESS UNITED & HARD

Pines 4. 7. 31

Goals: A. Osborne 4, S. Duffield 4, M. Lindley 3, P. Monaghan 2, B. Duffield, D. Measham, P. Bardsley, B. Clark, T. Dales

Coaches Report:

A fantastic 4 quarter effort by our guys gave us our biggest win for the year. Although we have two wins in a row we must realise that we have beaten the two bottom sides and

that we still need to improve to get a win this week against ycw. Let's remember the process that earned us those wins. If we stuck to this formula the result will look after itself

Coaches Report:

HIP HIP HOORAY we finally got a win after all the hard work the team put in. They got the reward they deserve with hard running and team discipline . Short on numbers with injuries and players away in warmer climates. Starting with 18. We asked Brett Jordan to step up from the U/16s and he done a wonderful job not missing a beat. Which is just as well we lost Maddison to a broken bone which left us with 18 then Daniel with a corky so now we were down to 17 and it wasn't even half time. But in true bulls spirit Daniel pushed thru the pain barrier as did the rest of the team by the time the final siren went the team ended with result we all wanted . We must not get too far ahead of ourselves as we have just started playing the style of football we have trained for. A lot of work still has to be done. If we can keep at it I am sure we will have a better result for the later part of the season. Once again very well done **GO BULLS**
