## **LUKE ADAMS FUNDRAISER**

Last Saturday night the Bulls had a fund raiser for Luke Adams which was very successful. A massive Thank You to all who attended, brought raffle tickets & donated prizes & \$\$\$ - It was amazing.

A special thank you to the PINES FC - More than 30 people from Pines attended & their generosity will not be forgotten by anyone at Karingal FC - a wonderful effort by Patty Swayne & the boys. Also taking home 1st prize in the raffle was especially ironic considering it was donated by the YCW under 18s Coach (Thank you Scotty Mathers). Thank you also to Stuey Gay & Warwick Graham from Crib Point FC who also attended the night and donated – This was an amazing effort considering that Warwick played his 344th Senior Game on the day creating a new MPNFL record. Also to Colin, Eric & Co for giving up there Saturday Night running the bar...Some Thank Yous to people who donated prizes also Inc. Peter Lewis, David Trend, John Barry (Frankston VFL) and Joel Stevenson who got some magnificent things donated.

### Coaches Report:

It was an entertaining game from start to finish and a very pleasing result in the end. The players were rewarded for 2 hrs of hard running, tackling, pressure and accurate kicking for goal which in a number of games this year has cost us dearly. The Mornington game in particular where we kicked 12 .26 and lost by only 4 points. What makes the win even more special is that they smashed us last time, we were playing at their ground and they were playing to cement 3rd position. We welcomed back some senior players which also makes a difference. Another massive challenge playing against Seaford tomorrow in order to keep our finals hopes alive. The playing group is focused on playing exciting, quick and fierce football. The start will be super important and will set the scene for the rest of the day. We will have to be at our absolute best which needs to be our aim week in week out regardless of who we are playing. Seaford embarrassed us last time we played and will walk straight over the top of us again if we are not prepared or willing to work hard from start to finish. It's another great opportunity for our young side to learn from the best but make no mistake; we are planning on out running them, tackling harder, kicking more goals, putting more pressure on and enjoying the day more than our opposition. ### Coaches Report:

We had a really tough fought victory against Bonbeach. Most pleasing was the contribution from all 22 players. Across the board all 22 players contributed to our effort indicators in Tackles, blocks and clearances. We need this every week from all 22. Having “buy in” from all 22 was the main factor in this game being one of our better 4 quarter efforts. Though there is still a lot of room for improvement, I think we took steps to becoming a more selfless team today again. Bonbeach have been and

will be a good side in the 2nds so it was really positive affirmation that we could go and play them at Bonbeach and come away with the points. It was really pleasing to see a lot of guys put their hand up to be leaders today with their actions on the field, becoming more vocal and helping their teammates out. When the game was in the balance in the last quarter. ALL 22 were up for it! Remember this “There is no limit to what we can achieve if you do not care who gets the credit”. Make this our focus for the last two games and we can finish on a really high note. We are learning to enjoy working hard, tackling and pressuring hard. This must become our base. Our tackling and pressure is the MOST important part of our game. It makes ANY opposition uncomfortable and we score most efficiently on the counter attack. If we are to be known as a tough, uncompromising side, we need to bring this effort and focus every week. Let’s carry this mindset into this week’s game against Seaford. Tugga

## **LAST WORD**

- \$5000 Draw – Please see player / committee for your tickets – Only 1 week to go.
- Fact, not rumour.....Adam ‘Bobcat’ Callahan was seen at the ground last weekend carrying 4 litres of Milk. No Kahlua..... just MILK. Shame
- Speaking of the one and only Bobcat, back at Tuggas house on the weekend, a few of the boys dared him to eat 4 rare eggs... no problems.... Little did he know they were a week out of date!
- A few of the boys went back to our favourite Assistant coach of the 2s house on Saturday night and were all blind. There was a light hearted all in wrestle that took place on tuggas couch, when it started getting a bit heated between a certain assistant coach (Dunny) and a very injury prone long time servant of the club (Jacko) when a friendly stray fist from this long time servant of the club which was meant for our assistant coach happened to collect tugga on the end of his abnormally shaped nose. As a result there was a spray of blood which covered the lounge room floor and a stream of tears gushing out of tuggas eyes. Tugga was the seen some 30 minutes latter asleep in bed with an ice pack pressed to his nose and 2 tampons shoved up his nose to stem the flow of blood.
- Which coach was seen shadow boxing at the Chelsea Heights Hotel until all hours Thursday night instead of running his charges through their paces????????

- It has been reported that there has been a rise in boat people trying to enter the country, if anyone can help immigration officials with their investigations please act quickly - we all can make a difference.

See below evidence

- A couple of the 'fossils' as they have been named by the younger blokes, were having a chat on Tuesday night about the AFL finals series. The boys were getting stuck into Jacko about how they would love to see the Saints go out in straight sets – bang bang. Then Pencil piped up – “you know what Jack, I reckon the Saints are going to turn Chinese at the end of the year” What do you mean Pencil? “I reckon they are going to turn Chinese – bang bang chank-a-chang!” What the???!!!! Don't bother trying to work it out. Many have tried. The chance of a sound minded human working out Pencils logic is about the same as Stevie Wonder solving the rubix cube!
- Beau Gothards (premiership player in 99!!) band Dodging Archer is launching their new EP next Friday night, here's the details! The stunningly edgy debut EP from "DODGING ARCHER" is set to have heads turning. With their feet firmly planted in the rock world, they've managed to capture a sound that is modern and melodic, while never being afraid to think BIG!!! With a big sound, comes big players, and while not the tallest in the world, these lads are certainly aiming high. Come celebrate the EP LAUNCH at The Evelyn Hotel, on Friday 21st of August. Supporting comes from Boy+Girl, Radio Star and This Public Life.

- Todd Farrelly has been working up at Kinglake and getting a bit lonely up there, so he decided to try speed dating at the local Kinglake Pub. Apparently, and this isn't confirmed, Toddy took a real shining to speed dating up there, and has his eye on a local lass, and will be meeting her again this weekend!
- Kyle Docherty was in the trainers room on Tuesday night and was overheard asking Amanda if she could tape up is you know what! as he has a few issues with it at the moment. Apparently it has a

couple of unexplained abrasions on it and is proving to be quite uncomfortable when wearing pants (because it rubs) and in particular when he is wearing his tool belt & nail bag at work. So worried is young Kyle he had booked an appointment for Wednesday at the doctor to get to the bottom (or top) of his injured you know what. Really looking forward to hearing the doctor's prognosis on the injury and Kyle's explanation to his missus as to how the infection came about.

- Hicksy kicked a left foot goal out of his arse on Saturday, and well didn't the boys hear all about it. And they weren't the only ones, with Hicksy getting straight on the phone to his missus to tell her how good he is! Great stuff Hicksy, no-ones listening but keep shouting!

- **KARINGAL JUNIOR FOOTBALL CLUB - HOSTS**  
**JUNIOR FOOTBALL LEAGUE FINAL SERIES**

Last Sunday KJFC hosted Round 1 of the FDJFL Finals Series at our home grounds, Ballam Park. We estimate over 1000 cars were parked in and around the grounds throughout the day! We were needing approximately 10 parking attendants per hour and 2-3 gate attendants per hour.

We are utilising both Karingal grounds and the High School/Cricket oval. Three ovals going simultaneously means 12 games running throughout the day, requiring 18 ground marshalls per game time, scoreboard attendants, time keepers PLUS 2 canteens and 2 bbq's.

Sunday was hugely successful and a great credit to all those that were able to help out on the day. We have another three weeks worth of finals to cater for and are crying out for any extra hands on the day.

If you can help, please nominate your preferred time slot from 8.30am-4.00pm and email your name and contact details to Jo Waetford [joeylou74@hotmail.com](mailto:joeylou74@hotmail.com)

ALL help in any of the above areas is greatly appreciated!

Money rasied from the finals series is going towards our Building Fund - please pitch in even an hour or two next Sunday.
