## Seniors: 16-14-110 D Chelsea 10.12-72

After coming off a loss to YCW last week, the boys were searching hard for a win against Chelsea. Chelsea has always been a side who is around the mark and play very competitive football. With two big inclusions this week; Lade and Peckett, the team was looking strong along with the addition of Jimmy and Jayden Peters. The focus before the game was to make sure that we got back on the winners list and to make the bull pit a place to fear for other clubs.

We won the toss and kicked with the wind but probably didn't get to as good a start as we would have liked, but in the second quarter in to the wind, the boys showed great composure and skill to run, carry and deliver the ball, outscoring Chelsea into the wind. This was followed by a great third quarter down wind to set up the win. The last quarter was not as we would have liked with Chelsea outscoring us and winning the last quarter. We spoke about this as a group and realised that to compete with the top sides we need to be able to finish games off.

There were some outstanding performances in this game, Robbie Clements again showed that he is a class on-baller and the experienced guys Lade and Peckett showed that their decision making and their willingness to bring team mates into the game much improves the side. Also Burke moving to the half back line and waxing with LVR as they do best really proved to give us creativity off the half back line.

All in all a great game, good to have 4 points on the board and starting to see some good signs with another 3 wins by all sides on the weekend.

## Reserves: 7.5-47 D Chelsea 7.4-46

This week I think we went into the game a bit ahead of yourself! Playing Chelsea is always a hard game they always come out hard and nothing was deferent this time around!

We started slow again but kicking into the wind we had to work very hard to try and hold them and we did, but in the 2nd qtr we just thought the wind would do it for us but they worked a lot harder than us and went into half time 2 goals down!

i gave the boys a little "talking too" at half time and thought it might get them going, but we started the 3rd like the 1st two qtrs! I then had a think about it and looked at are we playing that bad or are they just a lot better than I took them for!

So at 3qtr time I did not rant and rave I just told the boy to just for one qtr please just have a crack and show a bit of pride in the jumper, go back to playing how we train and come off the ground knowing that we all had a crack at winning the game and walk off able to look at your team mate in the eyes knowing you did everything you could for the team!!!

To the boys credit we did do this and kicked 5 goals in the last to win the game buy 1 point, in the end it was great too get the 4 points, and it showed our boys if we do work for each other and stick to you goals anything can happen!!!

Big week this week Edi, must come switched on!!

Best players - Taz, Marshall, Fisher

## U18s: 18.9 - 117 D Chelsea 7.5 - 47

The young bulls faced an always confident Chelsea in round 3 and as usual we sent them packing. After a quarter melee our boys showed how to play tough footy by putting there heads over the footy and showing Chelsea how you win a game.

We had three great quarters after that so as coach I was very proud of how we went about looking after each other around the ball. We had some great efforts from Bryce, Adam Zarb and of course that hard nut Kane McKenzie.

The boys are really just starting to put some great football together so get down when you can and support this young exciting side. Congrats to Dunny, Pitty and Hammo on their great wins. GO BULLS.

**THIS WEEK WE PLAY EDI-ASP WHICH I HOPE WE CAN GIVE THEM A MASSIVE SHOCK BECAUSE I THINK NO ONE IS TAKING THIS SIDE SERIOUS ENOUGH FROM OTHER CLUBS. BOY ARE THEY IN FOR A SURPRISE**

# Last Word

- Lost & Found. You just never know WHAT will turn up in the pockets of a Bulls jacket not worn since last year. It's just lucky that the owner found said item and no-one else – if ingested it may have given someone a bad bout of DiWeare.
- Be careful when using the outside toilets in the dark as one NP employee found when relieving himself lately. Hearing a noise behind him he turned to see Goog behind – fly down, member in hand just about to let fly...
- Tenchy – having problems remembering that he doesn't play anymore apparently. First he spent 10 minutes searching for his bag on a Thursday night before realising he doesn't train anymore, then in celebrating the win last week with the team on the ground forgot to escort the umpires off.
- Those looking to book local music talent for a function need look no further the rap crew 'ME Bundle' featuring Dunny all decked out in the WuTang gear

- Swear Jar. This week's prize taken out by Amanda 'potty mouth' Constable who silenced the U18's when she let rip with a tirade in the trainers rooms last Saturday morning.
- New nicknames....
  - Hicky – “**Whisper**” (doesn't shout)
  - Jackson “**LaToya**” Matthews (nice hair)
  - Grant “**Fev**” Goodall (last week the big fella looked like Fev after the brownlow late in the day)
- Fines – can't go past Bannez for getting the wrong shoulder taped before training last week.....
