ROUND 10

A Cold, Windy and woolly Sunday didn't provide for the best footballing conditions – and the BULLS snuck out of Frankston with 2 from 3, a reasonable return. The Unders (minus Super Coach) let a great opportunity slip going down by 12 points although 22-15 scoring shots reflect the EFFORT of the team. This week a chance at home to see how much we have improved against the top placed Doggies – PRIDE is at stake. The Seconds had to fight every inch for their Win against tenacious opposition – good to see variety in the best – showing the depth – 2 games & % clear in 4 – the pressure is on now to press into the Top 2 – Starts this week. The Seniors game wont be going into the History Books as a classic... in the end 4 points and a spot in 4 leaves the BULLS with destiny in their own hands for the first time in years – Lets SEIZE this chance – there is no other. The Best were the best but certainly pressure on with some better players to come back in – Looking Positive. This weeks is the SPONSORS / CLUB 44 Luncheon (A look into this later) and we welcome and THANK all the wonderful sponsors for there EFFORTS and in allowing Wally to control the purse strings like no one else - \$50 a Win, you beauty – GO BULLS! Also this weeks some GREAT RESULTS by the Junior Bulls with the Under 10s winning by 112 points and the Under 12s on the march to 2nd – Go LITTLE BULLS.

MATCH REPORTS

1sts – 4th Position

Karingal 10. 6 66

Pines 7. 13 55

Goals: J Peckett 3, R Barnett 2, R Jencke, T Elliott, L Van Raay, S Davies, L Adams 1.

Best: L van Raay, J Peckett, L Adams, T Hoad, R Barnett.

Coaches Report

It was definitely an ugly win. I think we allowed Pines to dictate and we seemed a bit sluggish and not prepared to work as hard as we should. We need to be a team that regardless of the conditions, where, when or who we play, Karingal always gives a 100% effort. It almost cost us against Pines and if we go into tomorrow's game with the same effort we will get smashed by Mornington. There were however a number of positives on Sunday; winning while not playing at our best, the successful return of our skipper Bevan Malloy and the first game of the year for Sian Davies. Having now won 4 in a row and landing in the top four means that the sides below us will be setting themselves to knock us off. We will become "the hunted" so it is imperative that we play as a team and rise to the challenges that come with being a good team. Mornington are guests at our home tomorrow and they want our spot in the four. Do we let them waltz in and take the prize or do we play hard tough selfless football from start to finish and show the competition that we mean business. We are the masters of our own destiny; tomorrow's effort will illustrate what choice we have made. Pecko

2nds – 4th Position

Karingal 8. 11 59

Pines 5. 15 45

Goals: A Osborne 6, T Callahan, C Lindley.

Best: B Groenendyk, N Shaw, M Lindley, R Pratt, B Marshall.

Coaches Report

The old saying 'Any win is a good win' certainly applies to the two's last Saturday at Frankston. Playing against Pines who haven't won too many games but seem to be competitive most weeks, we played some fairly ordinary football for the majority of the game. The determination and killer instinct just didn't seem to be there and as a result we did not put the required pressure on the opposition needed to shut them out of the match. The positives were that although we did not play fantastic footy we still came away with the 4 points, which is what all good teams do. On an individual note Taz and Pratty were solid as rocks down back, rarely beaten. Between them both they probably only had 5 kicks but they did the job I asked them to do – if 22 blokes do the same week in week out we will be hard to beat. Oz shook off his yips with 6 goals (6 out of 8 goals and can't get in the best, Tweedle's decision!) and the Lindley brothers were there usual selves – tough in and under. Lastly, a massive must win game this week to cement a spot in the four. Remember boys, never get complacent. Pitty

3rds – 9th Position

Karingal 11. 4 70

Pines 12. 10 82

Goals: J Kerrigan 4, R Bartlett – Quinn 3, G Rangi Clark 2, T Smith, J McCoy

Best: N Dossor, J Kerrigan, T Smith, S Hunt, A Guy.

Coaches Report

The Endeavour and attack on the football for the majority of the match was excellent. We started slowly but began getting on top towards the end of the first quarter. It was a disappointing result because when the game was there to be won we lacked the confidence in our own ability. We cannot afford to drop our heads and go back into our shells when the other side gets a run on. Some great efforts on the weekend by Nick Dossor and Josh Kerrigan, both first year Under 18s. A tough job this week against quality opposition, however it will be a great test to see how much we have improved since the start of the season. GO BULLS – Ralph.

CLUB PERSON OF THE WEEK

Malcolm Ritchie – Mal is someone who goes about his job each week without much fuss or fanfare – This obviously sets him apart from his son who is the Club's greatest lunatic supporter...Malcolm time keeps each week for both the Under 18s and Reserves (One day Max will let him in for the Big Boys – Just one day) THANK you to MAL for his efforts on game day in helping the Karingal FC. An unsung hero who does the job week in week out...

PENNISM

Penna has officially retired from football – as a result of this – I dedicate the final Pennism to Aaron for having the ability to laugh at oneself, an ability most of us don't share. Although Aaron has been the butt of our jokes for a long time – I easily call him a friend and someone who has given the club great service over the years in many different roles – I hope that he will still stay involved and support the Club that's has given him so much joy through out his life – I know he will, his brother already does. Finally an oldie but a goodie – apologies to those who've heard this before but it was his high point!!! Whilst travelling with his mate Jason Lowe to Queensland, Lowey asked Penna to contribute for petrol. Penna just laughed and replied "Mate I'm not falling for that one" and chuckled along. Later again when asked for petrol money Penna finally replied "I'm not chipping in for petrol – we both know this car is FUEL Injected – Ole!!! We love ya Penna!!! Next week we will be starting a new section on a player, BRism. Adieu.

JUNIOR BULLS

Results - A pretty good week last week, *a sensational week this week* for the young uns' 4 wins from 6 games in round 8.

U/9 White had a big win this week and got the chocolates by a lazy **5 goals**.

U/9 Red was not going to be out done so they snuck in by a lazy **6 goals**.

U/10s had another close one and fell over the line by a whopping **112 points**

U/11s took another step closer to notching their first win of the season going down by a meagre 2 goals

U/12s now 2nd placed on the ladder staggered home by **59 points**

U/13s & **U14s** both had byes this week.

The 15s were well undermanned this week and still managed an improved performance. Back to full strength next game hopefully.

A bye this week for all teams due to the school holidays. Go Little Bulls.

CLUB 44

Club 44 was created in 2000 to honour the memory of Justin Groves who passed away in late 1999. Justin was an avid player, supporter and mentor at Karingal FC. More than anything Justin should be remembered for his positive approach and friendship with all within the Club and his tenacious ability on the ground. He proudly wore the number 44 for Karingal, this jumper was retired in memory of his passing, and Club 44 created. Justin's Father David 'Crazy' Groves, a former Club Coach, Player, Premiership President and Champion and wife Jan plus Justin's Brother Paul – Current President and premiership player reinstated the jumper 44 in season 2004 and award this jumper each year to the player that most typifies the DETERMINATION, COURAGE and FEARLESSNESS that Justin exhibited.. The recipients so far have been Ben Gothard, David Measham and Matt Jakobi. Although the Club is \$250 to join and remain apart of inc. nibbles and merchandise it should be stated that no amount of time should blur our memories of Justin and this is what the club reflects... THIS WEEK IS THE CLUB 44 LUNCHEON...Thank you to all involved.

THE LAST WORD

- **AFL – Maybe it's biting the Blues on the bottom but we will persevere on with inspirational leadership again from the great FEVOLA – He will be traded for sure – Hopefully just not for Ross Lyon's personality – No win trade that!!! Tigers – Bubble burst after 1 win – Yippee Mickey!!! Hawks supporters have come from no where – all 3 of them... at least their win killed Tweeds 8 tips – You beauty!!! Gagey keep firing off those text messages Buddy!!! Collingwood – wobbling early – seems Alan Didak wasn't held against his wishes – unless bragging to your team mates the next day about your involvement with shotguns is – he was still heavily intoxicated of course Eddie says. Funnily enough, I really like his story, when unconscious but animated I always feel need to yell stuff like “Don't shoot the Cops” – Not the last we'll hear of this.**
- **Geelong gets their own paragraph – they are THAT important. Winning easily over the Swans – the triumphant crusaders of the cattery can do NO WRONG on their quest to right 44 so very long years...Parsons, Kellerman, Gothard and Walton are all supremely confident this will be the year – No word at All from Spence – Does he know better? Well after Sunday night if he doesn't book his seat to Skilled Stadiums Post Grand Final day soon – no room will be left. This BANDWAGON hasn't been as big as this since the last great Bandwagon year of 1995 when both the Tigers & Cats were flying... Ironically BLUES won the FLAG!!! Both Paul Groves and Scooter Frey both own licenses to drive Bandwagons and between them have years of experience... Unfortunately at this stage neither of them can get the Public Liability insurance to cover Brett Kellerman.**
- **Someone thinks that they may have spotted James “Moose” Haley's girlfriend last Friday night at the RSL – This has been denied... No such person alive. If anyone needs any confirmation of his affiliations please proceed to his myspace site at myspace.com/mooseylicc that has ample photos of Timmy Elliott and the accused. Not a GIRL to be seen!!! Dispelling rumours finally about the same type of relationship this week were Danny Gothard and Brett Holley who have finally moved out of home – although unbelievable not together – Is this putting us off the scent? Jordy won't be happy!!!**
- **Warm up in the Seniors on the weekend took on a FASHION Disaster of the highest order. BR was warming up in bronze cords that must have been at least 20 years old. When asked what the deal was he responded “ Well when the Club organizes some tracksuit pants blah blah blah” this was followed by fashion gurus Doug Scott's thoughts that although the pants were too tight the colour was just wrong. The Trainers still can't believe someone warmed up in Cords!!!**

- Although missing on the weekend with a Hamstring injury, not too far away – Matt Jakobi once again proved that reality has finally escaped him. How long will he continue to wear a GIRLS scarf to the footy – No one is following the trend - Let it go. One fellow player has made comment that Jacko wears it to simply divert attention away from the obvious missing biceps and triceps – some know better than to say this. Payback love Nanna. Also headbands at training??
- Life member Robert Vine seems to have dropped off the Bulls – now official – not only is his first born now playing at YCW, he text Wally on Saturday night to find out the scores from the Bulls Efforts that day? Sunday games Robert!!! It must be mentioned though at the Sunday Game was Graham French – the one and only – must have been an RDO on Monday?
- A massive THANK YOU to the Club Water boys and the scoreboard attendants in ... These are just young fellas who help the club out on a weekly basis and efforts are much appreciated. Well done GUYS!!!
- Two Frankston Dolphins Juniors (both are still 16) have made leaps and bounds since joining the BULLS this year. Luke Adams was instrumental in the senior win on Sunday including a Snap in the last ¼ that sealed the victory from the boundary – Thank you very much. Luke also went well during the week in an Under 17 trial game and we wish him well and support his efforts there also. Tim Smith has been battling injury but played Under 18s on the weekend and was in the best – although prior to the game Club Sexpert Smiley was heard to comment Tim Who? Not a blight on Timmy at all just proof that Smiley does in fact spend all Saturday afternoons between the sheets!!!
- Johnny Rucroft hasn't slipped away into the night it seems – the former Bull has hit the highlife starring in a Telstra broadband commercial seen across the country network on Win TV... a spy was flabbergasted to see the Rucroft imitating a trades type person who was attempting to plug the broadband cable into a socket and on completion giving the camera a stare down and a wink... Apparently not the first commercial either – Did we have a Robert De Niro amongst us and never know? Me thinks not after the ½ days work Rucroft went on 2 weeks holidays just to rest up...

- **MYSFACE UPDATE – On the Raging Bull Meter - Goodall YES Rowe NO Hatch - Gone up massively – apart from the fact that we ALL love ruck man – Hatchy’s mysface site has Tony Montana of Scarface fame splashed all over it. First you get the money, then you get the power then you get the Women – Greatest movie ever after the Godfather. Lee Gage’s mysface resembles a Ghost Town (His 21st at Ha Penny this week) whilst Dutchy is definitely scoring points at mysface.com/getroundyaself – beauty of a name...how perfect. Other web news this week – TROY CALLAHAN has email – Welcome to the 20th Century Pitty. Telstra will definitely NEED to upgrade broadband now with Pitty’s downloads ahead!!!**
- **The Sunday Game posed a problem for most especially the players having to back up at work – not too bad in the office though. Some people weren’t deterred by the day and spent a WILD night out together at the illustrious Robin Hood – a far cry from the highlife of Copa Cabana beach!!! These 3 Musketeers rode themselves into the wee hours, Light ice, Bourbon and Scotch was the shout until one interrupted Lamby’s beauty sleep with a rude call. Let’s just say age & children are no barrier for any!!! Disappointing the 4th Musketeer was on School Holidays and no where to be seen – Langy Hotel perhaps?**
- **Joke of the week – Thank you to the source... Driving in heavy rush-hour traffic a few days ago, I had the misfortune to rear end another car....The other driver got out of his car and, I couldn't believe my eyes... He was a DWARF!!!...and he was REALLY upset! He looked up at me and said, "I am NOT happy!" So I said, "Okay... then, which one ARE you?"**
- **This week sees the BULLS return home to face Mornington – a team that took great joy in destroying us for a long time – we’ve now WON the last 3 and this week we’ll make it 4 and continue our charge.. Also best of Luck to Timmy Hirst who fractured his arm last week – should only be 3 weeks is the good news – or that’s what Timmy told the doctor - speedy recovery for Bad Timmy please – HELLO to Macca Vagg who survived Glastonbury and remember**
