## **ROUND 6**

This week we travel to Hastings in search of redemption – Post Game – is at the WESTERNPORT HOTEL for dinner and drinks in the Sports Bar – for Karingal FC Only @ \$20 per head – Thanks to Adam and the team for their Sponsorship – More in Sponsors of the week. NEXT WEEK is the Club Ball @ the RSL – Robyn Burke is selling tickets now – please see her, she's in Purple with her friend Di!!! Last weeks Senior Performance was a perfect scenario of expectations not meeting effort and thus RESULTS. Character is of course built on performances when things are going wrong – this week is a MUST. The Reserves – the shining light at the minute – gave a splendid performance of what TEAM is about with up to 8 players out – people took up the challenge and did the job perfectly. The Unders have now finished a horror run against some quality opposition – goal machine Joshua Kerrigan (No 21 if you don't mind) and young Rhys Bartlett Quinn also backed up to help the reserves... Well Done. LET'S MOVE ON. GO BULLS

### **Coaches Report**

Apologies to all Karingal people for the sh\*t we dished up on the weekend. It was a pathetic and weak effort against a big, strong, tough & scary side like Mt Eliza. I am not taking anything away from the opposition, they definitely came to play and we sat back and thought it was just going to happen for us. Despite the massive hole we have dug for ourselves I firmly believe that we can turn our season around. It's not about talent, just attitude. The boys have had a very good week on the track and are looking forward to playing against a side that we have not beaten in 3 years at their home ground. It is going to be a real test of our mental toughness but I will back my boys in 100%. **HARD: ACCOUNTABLE: SELFLESS: PROUD** – Lets deliver on our word – Pecko

## **2nds – 4<sup>th</sup> Position**

**Karingal 10. 15 75**

**Mt Eliza 4. 8 32**

**Goals: A Osborne 4, M Lindley, C Lindley 2, B Marshall, B Groenendyk**

**Best: C Holzer, B Groenendyk, S Davies, C Reichman, R Bartlett - Quinn**

### **Coaches Report**

Well let me start by saying it was the best win for the year! We went into the game with a very different team to last week, minus Bear, Bobcat and Longley who all went up to the ones and Penna and myself injured. In saying that it gave other players an opportunity to step up and take their chance. Sian Davies got the chance to play in the middle and didn't let us down with a best on ground performance, showing us all what he is capable of with his silky skills and decision making. Cam Holzer played down back to give the backline a bit of experience and was great all day. Oz, Reichy and Burnsy were the other standouts. At the end of the day it was a great team effort, sticking to the game plan of being first in and hard at the ball. Keep up the 1%<sup>s</sup>, listen to instruction and we will be hard to beat this year. Thanks to Taz for filling in with late notice, he rucked all day and played really well. Also a big thanks to Reece and Josh who filled in after playing a full game in the 18's, both made good contributions too. Congratulations to Mick Hoad who made his debut for the Bulls, stick at it mate and opportunities will keep coming, just make sure you enjoy yourself. This week against Hastings will be just as tough as last week and we will have to play just as well to come away with the win. Things to think about for this Saturday – Karingal people doing it for Karingal! (That's for you Pup!)

- Pitty

## **3rds – 10<sup>th</sup> Position**

**Karingal**

**Mt Eliza**

**Goals: J Kerrigan.**

**Best: R Bartlett - Quinn, J Kerrigan, J Martinson, J McCoy, B Penny.**

### **Coaches Report**

Hopefully our long start to the season has ended with another loss in going down to a depleted Mt Eliza side.

Not too many highlights to note, except for Rhys QUINN and Josh KERRIGAN backing up playing for Pitty's rampant seconds side. Great to see both boys adapt to the tempo and play some good footy with Rhys being named amongst the best... Good to see them proudly singing the song. This week we have a must win game in Hastings; similar to ourselves they have not had a win and will be thinking their time has come. Once again if we stay switched on and play accountable football we will earn the points building confidence leading into another must win game in Pines. With a few Ins and plenty of numbers on the track there is a light at the end of the tunnel. Go Bulls Wisha.

## **CLUB PEOPLE OF THE WEEK**

*Where oh where did the Under 18s go? Just weeks after praising their efforts for cleaning up after the game – On Saturday I looked to see Tweeds and Wally collecting all the cans/ rubbish around the ground.*

*Oh the disappointment – Too few doing too much. Also special mentions to Eric for Booth and Crazy for the Food on Saturday – MUCH APPRECIATED. Also to the new Dockers Fan Robyn Burke for the ½ time Food especially those yummy sandwiches – THANK YOU. To anyone who would like to be mentioned on this category – simply help out where needed. Where's the FN Passion Bulls Fans? Just in case you needed to know – Anyone who appears here is NOT paid by the Karingal FC for their FANTASTIC efforts.*

## **SOCIAL REPORT – by the ROVING BULL**

Last week saw a very disappointing loss at home and another great win from Pit Dogs two's. Although it was an ordinary day for the ones, it was great to see so many faces sticking around for a couple of frothies after the game. Thanks also to the Mt Eliza players and fans for hanging around; we will return the favour when we play you guys at your ground. A big thank you to Burky's mate from Mt Eliza for sticking around and keeping the boys entertained! Not sure if many people noticed but there was couple of famous faces at the Bull Pit last Saturday night.....Adam Ramanaskus was there with his good mate Barry Baryshnikov, keep your eyes peeled at the next home game for more famous sightings. It seems coach (J.P.) and ass. Coach (D.S.) might be getting a little too close for comfort according to one of my spies. They were both spotted in the city to see Krusty Demons together.....is there something you blokes aren't telling us??!! Should your wife and girlfriend be worried?? Updates to come over the following weeks! Also good to see a few of the boys getting down to the Frankston RSL on Saturday night for a few quiet beers (must've been pretty low key because Mick 'Frumpy' Burke stayed awake this week). Remember to get down to the RSL whenever you can for a meal or pot....support the people that support Karingal Footy Club. This Saturday sees the Bulls heading to the Westernport Hotel for a post match meal and beer, please come down and appreciate another of Karingal's sponsors.

## **PENNISM**

Penna Update – Still not playing due to sore ankle. Feel at this stage it's UNFAIR to continue to chastise someone whilst recovering from injury. However 2 efforts have come to my attention this week that may be Penna Like. The wife of a sometimes player went too the wrong ground last week and missed the whole game – Didn't matter he wasn't playing anyway for a change. Also a worker is having email problems – keeps sending both vital work and cricket club information to the wrong people. Not that Doug Scott doesn't love Ballam Park as much as Doug van Raay... Penna would be proud.

## JUNIOR BULLS

This week Results – Including the coaches – these are the guys who work their butts off for nothing but the enjoyment of football, the development of their kids and the Karingal FC – Well Done Guys.

**The juniors are coming along nicely with good numbers in most teams.**

**Under 9 Daniel Bennell & Dean McCrystal - Happy to report that the under 9's have at least 20 players in each of the two teams.**

**A great effort and encouraging for the future of the club.**

**Under 10 Nathan Ross - The 10's is ticking along with the best hip & shoulder being laid by Tyson (Iron Mike) Ross.**

**Under 11 Dave Lawrence - The 11's are now up to 16 players, don't worry we'll get there, anyone born in 96 can play.**

**Under 12 Jason Borthwick - Our 12's smacked the Stonecats by 29 points and should have won by 8 or 9 goals.**

**Under 13 Michael Broersen -Micks' under 13's led all day only to beaten by 5 points with the very last kick of the day.**

**Heartbreaking with coach last seen walking the Westgate Bridge alone. He did return safely though and will get em next time.**

**Under 14 Russell Dellar - Russell's 14's are still pushing for that elusive win and are getting closer.**

**Under 15 Ralph Hallal - Drama in the 15's with Jonesy putting a rocket up big Jamie's' rear end at ¾ time and it worked a treat.**

**JCM playing an absolute blinder in the final qtr for the team to finish on a positive note.**

**Trivia Night Friday 22<sup>nd</sup> June - \$10 entry Go on get a table together, you know you'll have a good night**

## THE LAST WORD

- **A Quick Follow up to last weeks Club Person, PH, he also came back on Sunday Morning and cleaned the rooms up prior to the Juniors using them...Not much more he can do!!!**
- **With the timing perfect (YES BLUES WON) let's turn our attention back to AFL . Going on the recent clock theory where 12am is Premiership Time , anything before approaching and beyond slipping away its time for an honest assessment. The Blues of course have popped in for a fine meal on Lygon St, booking in at 7pm... The Saints are just getting home from Daveys with Kingy with a bad souvlaki from Vics and its 4am... The Tigers are out to lunch at 12pm – and no one is wearing a watch at all...Late Notice – ST KILDA IN TURMOIL – Later Notice – No one surprised at ALL. I mean even Last Word doesn't need to point out the IRONY in a Comedian taking over St Kilda, my guess would have been Phil Weare that's all. The Cats – are at 12 – Lets say it – they can win IT– All they need to do is carry the following Good Luck Charms – Both Keller, BR, Wally, Spanner, Spider, Kath.. Need I go on? Dogs = Dogs – No Substance when required. Eagles are certs.**
- **\$5000 Draw Tickets are flooding back in – 3 early ones anyway – Well Done Goog – Let's make sure everyone makes an effort NEXT WEEK to get to the RSL and the KFC Ball, once again lots of effort has been put in and support is needed. It goes without saying that getting everyone together for a few frothies and talk is what LOCAL footy is all about...**
- **R Bartlett Quinn & J Kerrigan added too a sensational effort on Saturday in the 2s, especially when someone was heard to comment that with the team in they were virtually NO chance to WIN – Shows what he knows!!! Also someone else who jumped on the wagon – It's getting pretty big especially when they jump on the bench!!! It was a fantastic effort but let's make sure it backed up this week with decisiveness and obtains the goals of the 2nds team – to put pressure on for senior spots. One can only wonder what the MY SPACE phenomenon would have been if he'd sunk that goal on the run from 25m out... Know your limits LEE!!! More about the Gage Family in C21 Section – Start Sweating Boys!!!**
- **CONGRATULATIONS to Matty 'Moohead' Bryant whose wife this week delivered a baby boy named Callan. Apparently the child weighed in at a healthy 25 kg...no I'm serious!!!**

- **Big Brother is upon us, literally at the Bull Pit. Unknown to most that Jamie, the undoubted stud of the House, has been making weekend performances at Bulls Games in a version called Colin Hoad. Apparently Colin is thrilled to death with this comparison so make sure you say hello to Jamie when you get the chance.**
- **All is quiet at Blue Gum Clothing with the Chief still at home recovering from a Knee reconstruction... Poor Wife and Kids!!! On the plus side though if he does the 12 months rehab and looks after himself diet wise, next year Pitty will have both him and Ralph Hallal in a mouth watering forward line. But seriously can't wait to see the Big Fella back and firing and getting that CROWD going especially at Home games!!!**
- **An interesting Gavin King interview Wednesday night conducted by the Prez in a players review. Highlights including Gavin's foray into the 21 century bottle shop, basically not remembering anything he'd ever done and why he ended up at Karingal FC – didn't like his last Club – Hooray – probably just Troy's annoying mates - the Schneiders. Word association was great too... Chris Reichmann (his best mate) Homo... Jeff Walton (his idol)... Alcho... and so on... One wonders how much longer a fine piece of meat like this will be on the market for?? Thank god he tackles like a machine – love Sore Knee.**
- **Post game again was a fantastic Effort from Both Clubs including, Anthony Hare, the team manager of Mt Eliza who was happy to point out that was there 7<sup>th</sup> WIN in a row versus the Bulls– which means he hasn't bought me a beer for a long time. Some times we forget how lucky we are though – I was lucky enough to have someone whinging to me about Mt Eliza not being able to field 11 kids in the Under 18s because of Stingrays and Private School footy – tears nearly weld in my eyes.**
- **Chris Reichmann's 21st Party (Now C21) Where to start? Firstly the speeches or lack of mumbled by a slightly intoxicated person who later HIT the wall in a not a nice way...The Father and Son combo who really let their hair down not too mention a few others...I'm sure we can all Forgive and Forget.. The absolute highlight though was the Taxi ride to the Pub... the taxi lady (twins mum) was waiting patiently outside for C21 to arrive... after much waiting an envoy went in to discover that C21 was still receiving a birthday present from a lady – No Names known? Thanks for the invite.**

- **The Dooley Family last week seemed very happy even though the Bulls were getting trounced, that's right their beloved Demons are on the winners list. Phone calls from the only Dooley at the game Craig to Shane, Darren and Kevin at Ballam Park caused much joy as one even considered driving to the ground to witness first hand the last ¼. Oh the humanity!!!**
- **Flashback – Last Game Season 1998 – Senior Coach finishing, Jeff Walton knocked out by Horse Freeman – lucky there were no cameras there that day, a 3 point victory at Rye and relegation all in 1 day. But without doubt the names that represent the club illustriously that day have gone on to bigger and better things. This week we see one, Keiran Worland. Keef is now a trainer for the Hastings FC, and has been fitting in nicely according to all reports... So make sure this week when you see him to say Hello!!! PS How much longer can the guy Horse knocked out wear his cricket shirt to training?**
- **Great to see some memorabilia reappearing on the Club walls recently. A Jumper with photos representing the 1999 Premierships are back plus a wonderful picture of the 1998 Under 18 Premier League Premiership is adorn the wall also. One highlight on this is of course how much the styles have changed since that era. Certainly an Unpredicabull would not want to annoy anyone about their hair with proof of previous hairdressing on show for all to see...**
- **Email list is now at over 280 names and growing, please send through anymore people you may want to receive the Weekly update and /or if you want anything listed in the Raging Bull. Thanks to the people who write their pieces even when they probably don't want too... Remember CLUB Ball next week and finally life is full of ups and downs – Its only when your down do you really appreciate the Ups... TIME TO WIN!!!**
