ROUND 7

Yee haw – Its 3 from 3 and at last something to Build on. The Under 18s started the day with a bang. Not only an emphatic win on the scoreboard but stylish running link up footy and some unselfish team acts – many seen and acknowledged. Aply lead by Rhys Quinn's 8 goals and fantastic bodywork by Goodall, Guy and co, the congratulations goes to Wisha and Shawy for their 1st Win. The Seconds rolled on to an 82 point WIN, the well oiled machine took control after ¼ time and never looked back. An even spread amongst the goals and best players augers well for the future. The seniors started in a blaze of glory kicking an opening barrage of 9.8 to zip and never reached those heights again. Although a 56 point WIN and 3 from 3, and to leave the lovely surroundings was all WIN/ WIN for the Karingal FC. This weeks challenge is there for all – SHOW everyone we are not pretenders but **CONTENDERS. GO BULLS!!!**

Steve Gage and Reddy Roasts have been supporters of the Karingal FC since 1995. Steve is one of the clubs staunchest supporters coming to home and away games – hail or shine. He also lends us his son for footballing purposes!!! Steve owns and operates 2 Reddy Roasts but the home base at Beach St provides the perfect location for pick up on the way home from Games – they also deliver. Steve has employed countless Karingal FC people and friends over the years and we should endeavour to support the businesses who support us – ESPECIALLY over long period of time. Coaches Report

Well done to the U/18's for setting the standard for the rest of the club on the weekend. Continued effort and persistence will always be rewarded in the end. Like the seniors, to be able to do it 2 weeks in a row is now the challenge. The two's continue to put pressure on the seniors which is crucial to us being the best we can be. Congratulations to Luke Van Raay on his 100th game for the Bulls against Hastings. He is a super player and leader of the Bulls and I love the way he goes about his football.

It was a good win on the weekend and it should give the boys some much needed confidence and belief going forward. We showed in the first qtr what type of team we can be. If we can do that over 4 quarters against Chelsea, they will not get anywhere near us. It was great to have a few players back in the side including the skipper who will be better for the run. Luke Adams showed how important he is to us and will be a key player for us in the second half of the year once school football is finished. Luke Forsyth gets better with every game (6.1 this week mate!!) so it is fantastic to have him on board. All up it was a good effort but I think we can get even better which is exciting. Let's unleash the Mighty Bulls Killer Instinct on the opposition tomorrow and belt them from start to finish – Pecko.

2nds – 4th Position

Karingal 16. 16 112

Hastings 4. 6 30

Goals: A Osborne 3, C Lindley 3, L Quinn 3, B Marshall 2, N Shaw 2, B Burns, S Davies, K Eagle.

Best: B Clark, C Lindley, A Callahan, L Quinn, K Eagle

Coaches Report

Not much to write this week, nothing spectacular from the two's but a wins a win in anyone's book. Best players were Chicken Kiev and Layne 'same pizza, same place, same time' Quinn. Ozzie had plenty of chances up forward, kicking 2 goals 8 behinds, keeping Digger in the ones for another week! Congrats to all three teams for their wins. This week will be a much tougher test, let's take up the challenge and come away with another three wins, Go Bulls. - Pitty

3rds – 8th Position

Karingal 13. 8 86

Hastings 6. 6 42

Goals: R Bartlett – Quinn 8, J Peters 3, A Guy, J McCoy.

Best: R Bartlett - Quinn, J Peters, G Goodall, J McCoy, J Martinson.

Coaches Report

FINALLY... The boys played to their potential playing some free flowing football running out easy winners against Hastings. What a difference a win makes!! The boys played accountable attacking football - a style we have wanted since the commencement of pre-season training back on January 10. Having a focal point up front in Quinny bagging 8 and a few inclusions into the midfield in Goodall and Pegler allowed us more class around the stoppages. The boys are well aware beating Hastings doesn't make a season but with Chelsea then Pines in the next few weeks it's a good chance to string a few wins together and move up the ladder. As I said last week maybe there is light at the end of the tunnel. To all the boys compulsory attendance to the ball this week with tickets for the 18's being only \$40. Each week blokes are missing out as we have the luxury of having 32 players on our list. If you don't attend functions, training, listen to instructions and perform on match day you will not play. Big thank you to Shawy, Ralph, Simmo and Mal Ritchie who are there by my side week in week out - I know they enjoyed the win as much as the boys did. Another win is on the cards this week so get down early and support the boys. - Go Bulls Wisha.

SOCIAL REPORT – by the ROVING BULL

Last Saturday saw the Bulls register three great wins followed by the post most function at one of our major sponsors, the Westernport Hotel. A big thanks to Adam and Steve and all the staff who helped make the night a ripper. Pots were flowing, sh#t was being spoken and the roast was absolutely magnificent. Speaking of the roast, it seems Team Rinnai may not be getting enough in their pay packets at work, having to eat next door in the cheaper priced bistro! What's the saying....Tighter than a fish's ar#ehole! In all seriousness though the all new Sports Bar at the Westernport is absolutely first class with big screen TV's, pool table, couches, TAB and Bar. Get down there when you're in the neighbourhood. Anyone watching TV at about 7.30PM last Tuesday night?? I know our fearless senior coach could not take his eyes off the screen when he saw that his singing/song writing hero – Mr. Daryl Braithwaite was the guest judge on it takes Two! One of my spies actually got a text message from JP telling him to “turn on to channel 7, the great man is on!” While we are on the subject, congratulations to Justin for playing in the Ted Whitten All Star game last Wednesday night. One commentator actually got stuck into Justin, telling him he was “chasing too hard!” A bit harsh I thought, but what was the go with the long sleever Frankie?? The game was played indoors! Back at the Bull Pit this week for hopefully another three wins, and of course the Karingal Football Club Annual Ball on Saturday night. The theme for the Ball is ‘formal – from your favourite decade’. Looking forward to our first function of the year at another of our major sponsors, Frankston RSL. A huge thank you from all at the footy club to Jess Duffield, who has basically organized the whole thing from scratch, a massive effort. If you don't have a ticket and would like one, please contact Jeff Walton – 0402 081 133, or come up to the club tonight during training and purchase your ticket to the night of the year!

PENNISM

Chuck Norris (MIA for those who can't remember) returned this week from a self imposed exile. It's been a quiet couple of weeks whilst Penna has been recuperating from his ankle injury - has the rehab been spot on? Well unfortunately Penna has been hamstrung by work commitments and the details of running a MAJOR painting business... This is a far cry from the early days of A M Wright Coatings. Back in the day when Aaron wasn't as busy he's still get up early from the parents house and head off to work in gear and all...Unknown to most Aaron would simply walk around the corner to a few mates unit – let himself into the garage and settle down for a nice kip – no one left suspecting – of course it was always a surprise to the people in the until when they left to work to see a 22 year old painting entrepreneur still sleeping in their garage. God Bless Penna. This was done on numerous occasions – Aaron still drives pass the Taketa Drive unit with fond memories.

JUNIOR BULLS

Had the WEEKEND off, but please see if you can attend the following;

Trivia Night Friday 22nd June – NEXT WEEK - \$10 entry, get a table together, you'll have a good night!!!

THE LAST WORD

- The importance of 1%ers is always being talked about in today's footy terminology –What does it mean? It means to go the extra distance, do the team things and never has this been more relevant. Carlton FC are now 1% clear of St Kilda FC – and don't it feel good. Di Weare still leading the charge away from St Kilda with her obvious attempts to follow the Dockers. Maybe its time that both Phil and Steve followed this opportunity to jump ship!!!
- It takes a very keen eye to be able to spot and identify colors but that's just what 1 amazing senior Bull can do. When comment was passed on Saturday that Debbie Hooper was wearing a fine Purple top –the Docker clique– the quick return word was “no that's cobalt blue – definitely” this was followed by astonished silence from all on lookers. When did a man no more than the primary colors? What's in the water down Sorrento way?
- Goal kicking fiasco is about all that could describe the work by the forwards last week including a miss from the goal square in 1st quarter of the seniors (2.8 means at least Ossie was getting the ball) but it certainly was the supportive Hastings crowd including the Oompa Loompa who spurred us on. Nothing can spice up your day at Hastings like being called fat, ugly, retarded, homosexual all in 1 sitting... Funny how Mr. Malloy kept wandering away... No doubt the highlight was at ¾ time when a comment was passed to an executive committee member about the abuse being heaped on our players and the poorness of it - he responded “I love it”.
- When my baby, when my baby smiles at me I go to Rio, Di Janerio... someone is pining for their long lost love – Who do we think that may be? Be careful who you like bad things to happen to Jeffrey Walton!!! Time to start looking for a new abode Botto!!!
- Cricket news aplenty this week from both sides of town... Scotty Phillips has been named Long Island CC new Captain Coach for the upcoming season whilst Justin Bridgeman is confirmed as Ballam Park CC new captain.Best of Luck to both guys and clubs, maybe this year Moose will get a bowl or more than 3 overs at least...

- **How well are the Geelong Cats travelling? So well in fact that a certain promise has been asked to come true. A Carlton supporter once passed comment that if Geelong WON the Grand Final – he would in fact drive Jeff Walton, Kath Gothard and Wayne Spence down to Skilled Stadium on the Sunday so the could enjoy the festivities... Believe it or not this Carlton Supporter has now been asked to keep this day spare... oh the heartache begins!!!**
- **I've heard of eating on the Run – but this is ridiculous...Wednesday night a young senior player was just about to get into his Parma (prepared beautifully by the ladies – Thanks to Robyn and Ann) when he was told his lift was here. Untroubled the young fella simply went over and picked his bag up and slid the Parma into the bag and away he went – Nice eating at home I'm betting... Although it was a special meal of beef stroganoff that no one else received, that's turned heads at the Bull Pit. Coaching a side to 5-1 must have its advantages – Did anyone else get to order a special meal?**
- **Great efforts around the club over the last week – BR swept the rooms after training on Wednesday Night, Todd Farrelly – 1st player to return \$5,000 Draw Tickets – Goog has sold all 5 and the Williams Family 4 – Thanks to all. Also all the players on Wednesday night who help right a wrong – some faith restored.**
- **Pickles...Pickles – the crowd is still chanting from the Grandstand - But where are you Michael?**
- **Free to Good Home – Jenny Williams (Mum of Sam / Benny Coates) is on the move... She has let the Raging Bull know that she has a couch of 2*2 seater plus 2 chairs and 8 dining chairs available to anyone who may need it – ideal for young fellas moving into a new home perhaps? Please call Jenny on 9783 5119 if interested. Thank You.**
- **This week the BULLS need to open the account at home and dispel some more demons (Gulls in reality) that haven't been beaten since R4 2004 – I remember a certain forward kicking 8.9 and taking about 11 hangers that day. The BULLS supporters have followed the team home and way this year and its time to repay there loyalty by the scoreboard. See you at the ball...One tip – If you go to Daveys – expect people to see you!!!**
