Karingal FC and the Tibetan Monks

Karingal FC this week also welcomes this week to Ballam Park – Tibetan Monks. The monks are in Australia on the Culture of Compassion Tour and have been based in Bendigo. Last week they were a part of His Holiness the Dalia Lama Tour, this week they're coming to Frankston to build a Mandala of Compassion, hold a performance at Cube 37 on Friday night and come to their first game of Aussie Rules Football at Karingal Football Club! The monks have seen footy on TV and are really keen to see live action so they will be special guests at the game on Saturday versus Bon Beach – They will be tossing the coin at the start of the game. Also if you would like to see their cultural performance: Cube 37, 7.30 pm Friday night - \$16.00 Bookings 9784 1060 – Frankston Cultural Centre – They will be guided through the club by former trainer / committee person Lee McIntosh. We extend our warmest welcome to our guests and hope they can oversee a BULLS victory!!!

ROUND 8

All roads led to Ballam Park on Saturday and the NEWS was all good...

This week a repeat performance is a must against some unforgiven enemies... The Unders strolled out to a great lead before being wound back in late for interests sake but have now strung 2 together, and also they've started their own Dance troupe!!! The seconds are going along nicely & continued with another even performance – Super Coach to return this week & a test against unbeaten opposition... this is why we play football to challenge ourselves and rise against the best... The seniors started well, stopped then motored away comfortably for a great team WIN – Scotty ‘ I don't know, so how can the opposition know’ Phillips and Lucas Van Raay gave them terrible headaches, Rocky Scott and the boys in the back half held sway all day... Lamb chimed in for 2 goals, BG returned and TACKLED and Smith, Jenks and Co. gave us the legs... This week WE MUST WIN – To even contemplate playing FINALS we must displace someone – let's start that this week. Remember GOOD Players play well week in and out – Same for GOOD TEAMS. Ball was sensational – Well Done Jess, \$5,000 Draw tickets are out and Ballam Park should be rocking come 4pm Saturday... GO BULLS

Coaches Report

A very pleasing 3 qtr effort from the boys against last year's premiers. I would hate to think what we could do to a side with 4 quarters of 100% effort. After getting off to a flyer in the 1st qtr and then challenged in the 2nd, it was great to see the playing group respond after half time to take control of the match and finish the game off strongly. It was a solid 'team' effort and as I keep saying, teams win games of football, not individuals. We can become a GREAT TEAM, but only if each individual decides that it is worth the effort. Given the head start we have given to the top four sides, every game we play from here on in is super important. None more than this Saturday's game against a mob that currently have our spot in the top 4. They are in our way so we must once again have that Killer Instinct attitude and smash them on our home ground. If ever we needed 21 blokes committed to giving everything they have got for 4 QTRS, it is tomorrow. Come prepared to do battle! It would be fantastic to see all our loud and proud supporters at the Bull Pit tomorrow. Let's make the opposition feel like they are playing against hundreds of us, not just the 21. Cheers Pecko.

2nds – 3rd Position

Karingal 11. 12 83

Chelsea 8. 3 51

Goals: S Davies 2, N Shaw 2, M Bolton , B Groenendyk, M Lindley, M Bennett, A Osborne, B Marshall, L Quinn.

Best: C Holzer, A Wright, L Quinn, B Clark, S Davies.

Coaches Report

Well Done to all 3 teams last week. The 2nds had a win again; we are starting to show what we are capable of in patches of the game. We still haven't put together 4 quarters, but I'm happy with how the boys have become a close knit team, bonding well together. It must be the Friday night dinners we are having. This week we are playing the top team and 4 quarters is a must – we must be on song. Goals for this week, Hard, 1%, 100% Effort, Talk, = WIN - Pitty

3rds – 7th Position

Karingal 11. 4 70

Chelsea 9. 11 65

Goals: R Bartlett – Quinn 4, M Jones 4, N Lefebvre, A Hall, J Peters.

Best: N Lefebvre, M Jones, R Bartlett – Quinn, G Goodall, A Guy.

Coaches Report

A Great effort up till 3 quarter time with the boys playing some beautiful flowing football. The last $\frac{1}{4}$ was very disappointing giving the fact at $\frac{3}{4}$ time I asked the boys to really go on with it and put them away – none the less a WIN and something to build on for this week. There is definitely progress there for all to see - Go Bulls Wisha.

CLUB PERSON OF THE WEEK

Craig Shaw – Commenced his career with the Bulls in 1990 as an Under 17 Player... He Played 2 years for the young Bulls finishing with a Premiership Medallion in 1991. Craig then continued into the seniors and gave the club great service over a long period of time – NEVER ONCE ASKING TO BE THANKED for his efforts. His Greatest moment came at Centre half Back in the senior team in 1999 when Craig achieved a premiership medallion, he had an outstanding year beating many so called better opponents...Craig could be epitomized by his great training ethic, ability to get the best out of himself and unwavering loyalty to the club and his team mates. His brother Steve (also an unheralded legend of Karingal FC) was known for his toughness and fearlessness but Craig was no slouch... his trademark was backing back into packs and oncoming forwards with no thought of the consequences for his body... Craig is now helping the club again this time as an assistant coach in the Under 18s – taking training, encouraging the kids and moulding them into Senior Players – hopefully more like himself. Karingal people doing it for Karingal – I love it. WELL DONE IBZA – a better role model you would struggle to find, for people of all ages to admire.

SOCIAL REPORT – by the ROVING BULL

Last Saturday saw the Bulls host Chelsea on a freezing winter's day, coming away with three red hot wins. Three wins always makes for a good night of celebrations, especially when the footy club Ball is on the same night. Being held at the Frankston RSL and with plenty of expectation we weren't let down with a great night had by all. The theme was 'dress as your favourite decade', and while most went with the traditional suit and ball dresses, others made the effort to dress up and looked fabulous. Grant Goodall and Rowan Pratt led the way with some psychedelic 70's suits and afros, and Luke Van Raay and Courtney Hooper were looking fantastic, although some wondered why Luke didn't dress up for the night?? While we are on the topic of fashion can someone please confiscate that horrible scarf Jacko wore last Saturday?! Straight from the Doug Scott Fashion School that one! Anyway, back to the ball where one of the under 18's known to most around the club as 'Smiley' earn himself a new nickname - 'Growling' Dog! My spies tell me that Smiley, aka Growling Dog had more rides on Saturday night than Damien Oliver come Spring Carnival! No wonder he was smiling! While festivities at the RSL finished up around midnight, celebrations continued on elsewhere around town. Most of the crew headed to Daveys (just for a change!) where the big water/bourbon fight broke out, one thing led to another and Gagey ended up with a black eye for the second time in three weeks!! You really got to stop head butting peoples fists Leigh! We all know how hard it is to get a cab from the middle of Frankston at about three o'clock in the morning, but another one my spies tell me that under 18's coach/senior player/life member David Measham has found the answer to expensive cab fees. Once in the cab, our favourite police officer offered the cab driver a sneaky peak at his lovely girlfriend's breasts (much to her Displeasure!) For a cheap fair! What happened to the days of simply flashing the 'Freddy' for a free ride Wish?! Anyways thanks again to Jess Duffield for organizing a great night, and everyone with \$5000 draw tickets please sell as many as you can and return to Digger ASAP. Roving Bull. (Has been very nice to some people – Is he on the payroll? Ed)

PENNISM

Penna returned to the field last week albeit in the 2nds but was the ultimate professional with a stand out best on ground performance and his pushing up to the 1sts seems only a matter of time... This weeks Pennism comes to us from across the high seas into Hong Kong – how appropriate. On a trip away to Merimbula many moons ago – all the boys decided to head off for a swim at the famed beaches of the area. The ended up at a non patrolled surf beach. Someone mentioned that there were no flags or life savers anywhere... Penna reassured them that this was ok... “Boys there’s no life savers or flags here because the surf is too rough!!!” it was a 3 foot swell...

THE LAST WORD

- **Saturday Night do do do do do do do do... Saturday Night (Cold Chisel – just in case) Where to start... Firstly many nightclubs have I seen but never have I seen a ring of guys start the dancing anywhere... The times they are a changing when the Under 18 boys are dancing in a group of about 10 by themselves??? Guys brings girls please...Great dress up performances – The Mobsters looked good – special mentions to Hoppy, Mick M and Kirby who suited the gangster get up. Lee Gage spent the whole night making sure everyone had heard his 1st ever 1 line joke that was a winner – Well Done Gagey... Move on... or should I say get up and move on???**
- **One Fella who doesn't mind having some IMPACT on and off the ground is big Grant Goodall, after dominating again in the Under 18s in the morning, Grant dominated the dance floor early in the evening ... so much so that a jealous coach tried to have him removed for pulling to many special dance moves and impressing the ladies... Raging Bull has no doubts that it all stems back to Grants pre Match preparation which is spot on... Every Friday night around 10pm the Big fella tunes into the Foxtel Showtime Movie special (Channel 401 for all you people out there) last weeks show was called Naked Encounters and was a delightful romp – so much so that Grant tapes and sells these videos to his Tafe mates at a tidy little profit... Great Entrepreneur, Player and dancer – What more could we ask?**
- **What a week in the AFL – yes the Blues may have got a bit ahead of themselves... and so did some supporters but weren't other supporters quick to point that out – thank you to Phil & Gagey for their lovely messages – It's a long way home from Subiaco Saints...But the best comments came from Frumpy burke, a true tiger diehard who commented that watching Carlton lose by 100 points was better than watching the Tigers win – the obvious response was - How would he know? Catsteria (yes its that big) has taken over – Ablett this and Ablett that – we've heard it all before – sometimes you feel for people when the ending is oh so predictable – let them enjoy the ride, just like the people on the Titanic. Finally if feeling thirsty in the Chelsea area drop down to the Long beach for a quiet one with Pecko – he has commented on its nice surroundings – especially now its part owned by Carlton FC – Go Blues – The sleeping giant is awake!!! Bombers choke again, what a disappointment boys!!!**
- **Jess Duffield needs to be congratulated for her efforts in organizing last weeks Ball at the RSL – Great night, venue and attendance... WELL DONE ...Although it does need to be asked what decade was in fact Clarkey attempting to be from???**

- **Matty Vagg update – Has been mugged, and tried to talk his assailant into coming into the pub for a few beers with him – Must be the only person in the world to not know when someone grabs your keys then wallet from your pocket they don't want to have a chat and beer – You can't take Pearcedale out of the boy.. Let's hope he's back soon as clearances close in just 1 short week...Not much chance though...**
- **The Cheap Seats on the opposite side of the ground were filled last week with BYO and all – maybe if those people at least paid to get in or for their beer like the rest of the KARINGAL people then we could ALL improve!!!**
- **Hamas versus Fatah... the Palestinians have turned on their own and its troubled times for king pin Abu Daoluf Hassan or Ralph Hallal as we know and love him...Unfortunately due to family commitments Ralph has stepped down from under 15 duties.. Although no one can ever doubt his heart is in the right place and that will always earn the respect of the MANY... the Raging Bull has inside information that garlic sales have slowed due to the conflict and it may be a lean year for all...**
- **Layla Mae Dooley safely arrived into the world on Monday weighing 6 pounds – Congratulations goes out to Darren and Tahni on her arrival – Will Graham French be the Godfather? Also to Kevin and Glenda as first time Grandparents!!! Not much chance for the poor girl in the AFL though – She'll be demon no matter what...**
- **The Ladies trip away this year is being organized by Amanda Constable – please see her for more information and the possibility of some fund raising... The Men's trip Away is being organized by Snuffalupagas the imaginary mammoth from Sesame Street because nothing has been done and it's nearly July... Someone smells a REBEL tour and a sandwich special on the cards...**
- **Friday Night cards – a great night for all – except the host and organiser... The Host up a fortune – We're talking a 1 way ticket to Rio ended up in bed early with not enough fare to get to Dandenong on the Bus... the organizer has blown his budget dropping valuable cash that usually creates wealth, he has quickly organized a new game to reclaim losses – A Pleasant night had by all others...**

- The Raging Bull continues to grow – We have nearly 300 email addresses...Please send more if possible – Karingal FC is also looking for web designer please... to maintain and update our website karingalfc.com – please should you be interested or no someone who might return email ASAP– this is a valuable resource we must use for sponsors and club contacts... and remember
