Presidents Report

Finally, Cricket season is over and the footy has begun. Good turn out on Saturday at John Paul College for our first practice match, considering the weather has also turned on us. Quite a few new faces, (I really think names are required on the backs of jumpers for the first month!) Good to see the two P's (Pete & Phil) at the BBQ cooking up a storm. Great job by Elise all day and thanks to Hutchy for also helping her. Max, what can one say, great job getting all the gear in the trailer and marking of the ground.

Our next Practice match is this Saturday at Traralgon, so if you can get along and show the boys some support I'm sure they will appreciate it.

The Comedy Night - What a great way to unwind after a long day at the football. Huge Thanks to Brett & Jannine Kellerman for organising the whole night it was fantastic. Great turn out with the hall packed to bursting. Robyn Burke.

Football Update

It was an encouraging start, from our new look, young side in our first hit out for the 2008 season.

A number of guys not only pulled on the Bulls jumper for the first time but a couple of them played their first game of senior football. I felt that all of our new players acquitted themselves extremely well and made an immediate impact for their new club.

Congratulations guys! We started strongly full of run and our tackling was some of the best I have seen in recent times. As I expected though, we ran out of legs in the second half and were only just overran by a full strength Langwarrin. All in all there was enough evidence to suggest that we will be competitive this year with a full and fit team.

I am looking forward to our next challenge which is playing Traralgon tomorrow on their home ground. We need to build on last week's effort and continue our focus of being a HARD team that is quick, takes risks and applies relentless, fierce pressure on our opponents no matter what the score board says. Our team will look different again this week, so there are opportunities for players to put their names up for selection in round 1 which is only 2 weeks away. Hope to see you down at Traralgon supporting the boys.

Pennism

Penna has had some really bad memory lapses recently with him chastising others regarding their employment status which leads

The Raging Bull

me to this story... BILL DAY. Most people in life have to juggles lot of commitments like work, relationships, children, outside interests and a social life. Lots to juggle to keep on top, but not our Penna – he's always one step ahead and well planned out like everything he does – just perfectly. So Fridays is Penna's BILL DAY. He takes the whole day off to trundle into Frankston to sort out the Bills in his life and there is plenty. Mobile, Gas, Electricity just to name the ones he pays at the Post Office thus improving his BILL DAY efficiency and clearing his days schedule for much more... but no more can be done ... its BILL DAY and BILL DAY Only!!! Keep the wheels of the economy turning Penna – I don't care know how long you hang out at VSHL for talking bull flop... Enjoy!!!

Moofism – Not to be outdone the Clubs Secretary recently had a Penna moment. James Haley (Moof) was taken in instructions from President Burke about the distribution of committee minutes and also the importance of alerting all committee members of meeting dates in advance as not all had email - they should be called or at least text so they are informed. This was followed by a pause when Moof Announced "So lets me get this straight - you want me to text them the minutes?" Oh the Humanity.

The Raging Bull

Club 44

Its back for Season 2008 – And new members are welcome. Justin Peckett will wear No. 44 In Season 2008. Here's the History;

Club 44 was struck in honor of the memory of Justin Groves, a player who tragically passed away in his twenties. Justin was a passionate Karingal person who wore his heart on his sleeve and it is hoped that members of Club 44 share the passion and desire for success that Justin possessed not only for Karingal but in life. The Groves family has had an association with Karingal for over 30 years and those who have witnessed Justin's father and brother David and Paul supporting the club will understand how much victory would have meant to Justin. The number 44 is symbolic because this is the number Justin wore in all of his games for Karingal. Club 44 retains an element of exclusivity because of its limited membership and provides Karingal with one of its largest source of sponsorship. Club 44 members are noticeable each season because of their exclusive apparel with the Club 44 insignia printed on them. In 2004 the Groves family struck an annual award to be given at each Presentation Night. The Club 44 award is given to the player exhibiting the qualities that Justin displayed throughout his career. Courage to perform under adversity, Determination to succeed against stronger opposition and Tenacity to persist until the result is achieved. In addition to a trophy the winner can elect to wear jumper number 44 in the following season, his family feels truly touched by the warmth with which this club has been accepted. Even with Justin's passing he continues to have an emotional and tangible influence on the success of the Karingal Football Club.

Membership costs \$250 and includes Club membership, ½ Drinks and Nibble ALL Home Games, Club 44 Apparel every season

The Raging Bull

including Jacket in 1st year, A Club Function and the weekly newsletter.

GO BULLS!!!

Last Word

- The Bubble has Burst - Well Tigers, Pies and Bombers Fans out there - at least there was a bubble!!! Special Mention to Tiger's fans who thought that this year was going to be any different from the last 27... Maybe time to hand over Band Wagon duties to Chris Hay whose looking more and more every week like the new Tiger front runner!!!
- Apparently Gage Senior was doing his civic duty a week or two ago, by disturbing a burglary at the shop behind his place in the dead of night. Rumour has it that when the perpetrators saw Steve in his reg grundies they froze in fear, whilst Gage junior stuck his head out to see what the noise and red/blue disco lights were all about and promptly went back to catching zzzzz's. That's the 2000s version of Cagney and Lacey for you guys!!!
- David Hirst received a phone call on a previous weekend from a Sgt Mackenzie from Frankston Police saying that he needed to come down to the cop shop immediately as he was picked up on closed circuit TV in the vicinity of a brawl outside of Davey's. David could not remember the incident or whether he was even at Davey's on that particular Saturday but because he goes there most weekends so he thought it must be true. Sgt Mackenzie sounded quite convincing. David hung up the phone rather nervously and went straight to the couch where boyfriend Todd Farrelly was sleeping (surprise surprise) and told him to drive him down to the cop shop immediately. Todd did what Budda told him to do (surprise surprise) and the nervous couple made there way down to

The Raging Bull

police headquarters in Frankston. Upon arrival after giving his name and Sgt Mackenzie's instructions they were told that no such person exists – So tails between their legs they went home and cuddled each other on the couch watching old movie re runs. David was not impressed and seems to think an old teammate (Douglas Scott) may in fact be moonlighting as Sgt Mackenzie. Bravo.

- It's not often that the Raging Bull promotes the love of grass but there are always exceptions to the rule. Matt 'Bob Marley' Jakobi absolutely adores his grass – Just ask him. He was devastated recently when at his own party his grass was destroyed but after weeks of careful preparation and lots of love the Grass is back bigger and better than ever. Great Stuff Jacko – Congrats. PS Please don't smoke it while it's that Green.
- Well done to the Community Minded on Sunday Morning for taking in the Royal Children Hospital "Run for Kids" in town. A worthy cause and a winner for all who participated. The unfortunate part being that according to Monday's results Steff beat Lamby home over the 6.3km WALK by 7 seconds. Lots of Training for Gregory Thomas ahead.
- Must have been a dream come true for Michael Burke on Saturday night... Winning the silent auction item for \$21 – after completing hanging around the item all night – Burkey through the replica Australia Cricket shirt straight on and left it on all night. Seems to me that it's something a 6 year old might do not a 26 year old but as Michael pointed out to anyone who asked why... "Why are you jealous?" Nope not jealous but let's hope more of these great performances are ahead in 2008. (Don't ever mess with the Blues, their supporters or clothing Mick)
- It's not often TECHNOLOGY and MAX GREENBURY collide but Tuesday night's committee meeting was a rare event. After needing to make an immediate call Max was offered a mobile (Which he said he didn't know how to use – how could he with all those pesky numbers on them!!!) and had someone else dial the number. His true moment came when trying to

The Raging Bull

talk but having to be pointed out that the phone was in fact upside down. Don't worry Max no one likes change!!!

- It's not often a Footy Club can say that they have a trotter – not Inter Dominion style- but after seeing recent events unfold it goes without saying the senior runner is no longer that and a new t shirt will need to be made up. Max can you please add that to the list of things you do!!!
- Finally THANK YOU to Sharon Spillard (Auskick Coordinator) who had FREE of charge, a Drinks Fridge organized for the Club – A HUGE effort and will help us a long way into re designing the rooms and bar set up in 2008. Also MASSIVE THANKS goes to Jacko and NPD for picking the fridge up and having it delivered to the club for zilch – THANKS GUYS!!!
