Yeah Baby – The BABY BULLS minus Peckett, Lamb and Measham (Sorry 30+ Year Olds) Run Riot at Ballam Park and win by lots – Lots of Happy Faces after some not so educated predictions of our demise. Let's keep the Ball rolling this week and get under everyone's guard. Lots of good signs especially the NEW Players to the club and some Younger players really stepping up to the plate – people leaving create holes that these people can fill – A positive Direction , 1 Direction FORWARD – GO BULLS!!! The Reserves battled hard but Clarky will have to wait another week as a 10 minute lapse cost them dearly. The Under 18s fell short but had some encouraging signs and Coach Shaw was pleased in a sometimes eventful game – no real surprise there. The RED & WHITE Army kicked off in style with shirts a plenty showing the BULLS Passionate support – Powered by OPTUS 1800 119969 – It's not too late to join – Stickers are coming!!!! All in All a fantastic home day well supported by all and a great opportunity to BUILD for Season 2008.

Presidents Report

Good start to the season with great weather, good crowd and a good win for the seniors. Thanks to the U/18 parents who attended the Luncheon after their game and enjoyed a lovely meal supplied by Reddy Roast, we look forward to seeing you at other functions throughout the season. Huge thanks to all the committee for their hard work which made the day run so smoothly, special mention to Shawy and the Unders for getting the tents up first thing, much appreciated.

Fantastic work by Tweeds, Penny & Holly in the canteen and also Brian on the gate, without these volunteers we would struggle to run the club efficiently.

Other Special mentions to Quinny for getting all the new signs and pictures up around the rooms, to Clarky for cutting out the bar so we could get the fridge in behind the bar, thanks to Sharon for acquiring the fridge for the club. To Hutchy for just being Hutchy! also to Di Weare for all her help on Saturday.

Let's see all our Red & White Army travel to Hastings this week and get a few more wins on the Board! And then back to the club for the Cocktail Night.

Congratulations and Best wishes to Pecko, Theresa & family on the arrival of Ace Peckett on Sunday from all at Karingal Football Club.
Robyn Burke.

Coaches Report:

After a fairly solid pre-season and a couple of good practice matches the boys were jumping out of their skin come 2 o'clock last Saturday. Pre season talk had Pines up and about with a new coach and plenty of enthusiasm, so we were expecting a tough battle. Our blokes came out hard in the first quarter with plenty of pressure and a heap of inside 50's but weren't able to convert like we should have, kicking 5 goals 8 behinds. A steady flow of goals for the rest of the game – LVR kicking 4, saw us eventually running out winners by 67 points. Better players included LVR, Proud and Clements but generally a pleasing effort by all. A special mention to our first game players – Duncan Proud, Robbie Clements, Ross Weightman, Steve Charalambous and Tyson Horton, Aaron Jack (both returned to the club). All played very well and are big inclusions into our young, running Bulls outfit. A big game this week against another side who have recruited well and will be tough to beat on their own turf. To all supporters, get down to Hastings this week, our young running side will love the support and will provide plenty of excitement. To all players, another big effort needed, with ferocity and pressure being the cornerstone of our game. Let's go 2 and zip and get this season rolling. Go Bulls - Jacko.

Reserves

Karingal 8.6 54

Pines 11.7 73

Goals: Sian Johnston 3, Chris Lindley 1, Nic Mair 1, Jim Martinson 1, Daniel Green 1, Cam Hicks 1

Best: Chris Reichman, Jim Martinson, Matt Gonzalez, Sian Johnston, Chris Lindley & Cam Hicks

Coaches Report:

Well not a great start going down by 19 points in a game where we had control of the first half, due to our attack and aggression on the footy, willing to work hard link up and get the footy forward and it was looking like by how far, but a lapse in concentration with about 7 minutes to go in the second half opened the door for the pines

The Raging Bull

and they piled on 4 goals, which gave us a 4 point buffer at the main break.

The second half saw us run out of puff and battle out the rest of the game although there were still some great passages of play just failed to capitalize when we need to.

Hastings this week great chance to make amends and bring home 4 points. Clarky.

Under 18s

Karingal 8.9 57

Pines 13.9 87

Goals: Callan Dixon 3, Jaiden Peters 2, Graeme Rangi-clark 1, Justin Smith 1, Jarryd Karadeas 1

Best: Jarryd Karadeas, Benjamin Evans, Justin Smith, Callan Dixon, Aaron Hall, Graeme Rangi-clark

Coaches Report:

Many supporters & players themselves have mentioned how much the team and individuals have improved since coming together late last year. The way we played was tough and courageous (special mention, Ben Evans backing into pack). The scoreboard didn't reflect the work Karingal put in. Our second quarter, where we lost two on-ballers and were outscored 8 goals to 1, was our only lapse where we need the next tier of players to step -up. Very pleased with the way that Karingal players handled themselves in a tricky situation. It would have been easy to retaliate to many actions that happened throughout the game, however I am a believer that the retaliator is often caught and penalised which would not have helped our cause. Let's really have a crack at Hastings this week and get our season back on track. Craig Shaw

ANNUAL BALL 2008

Saturday 24 May (Round 6)

This year the MPNFL will celebrate its Centenary; 100 years of football (1908 – 2008). To commemorate this milestone, the MPNFL have released a calendar of Centenary Celebrations to run throughout the 2008 season, in what will become the largest sustained celebration of local sport and its history, undertaken in our region.

As part of these celebrations, Round 6 (Sat 24 May) has been named the Zaidee's Rainbow Foundation round. Established by Allan and Kim Turner in 2004, after the sudden passing of their 7 year-old daughter Zaidee, the foundation is dedicated to raising awareness and inspiring people to talk about organ and tissue donation. Originally from the Mornington Peninsula, the Turner family had been long-time registered organ and tissue donors when Zaidee passed away. In 2004, the year Zaidee passed, she

The Raging Bull

was the only child in Victoria, under the age of 16, to be an organ and tissue donor.

Australia has one of the *lowest* rates of organ and tissue donation. Through initiatives such as Zaidee's Rainbow Foundation and the MPNFL's Round 6, we are aiming to raise organ and tissue donation awareness, and encourage you to talk about Zaidee's story with your loved ones. During Round 6, all players, umpires and supporters will be asked to wear Zaidee's Rainbow Shoelaces, as part of the foundation's awareness campaign, and to show your support.

The Karingal FC Annual Ball, to be held the evening of Round 6, will continue with Zaidee's theme. Supported by the MPNFL, local media and Zaidee's Rainbow Foundation itself, this year's Annual Ball is guaranteed to be a very special event, one to remember. Mark your diaries, Sat 24 May at Frankston RSL.

Tickets are now available for purchase; there are a limited number available, so don't miss out! See Digger!

For information on Zaidee's Rainbow Foundation and/or organ and tissue donation please visit www.zaidee.org. A full list of MPNFL Centenary Celebrations can be found at www.mpnfl.com.au.

Pennism

I never thought I'd say this but Penna Leaving has been a god send. He has brought new material by constantly comparing the 2 clubs... take this little doozy. Penna recently made comment that he heard the BULLS had their own buddy system and that his club was also installed the system to encourage younger and older players to bond... He said "That's a Great Idea but my buddy better have the best looking Mum and sisters!!!" All class Penna, getting straight to the point!!! We miss you already mate.

Karingal Bulls Junior FC

The Junior Bulls

StKilda players Luke Ball and Sam Armatage were a huge success at training on Monday and so were the hot dogs. Well done to the Jo W and Jo M for organising that one.

A big day at the BULL PIT last Sunday with six home games causing unprecedented demand on the canteen. Well done to Effie and everyone who helped in the canteen.

Eight teams are up are running in the juniors although we still need players in some age groups. If you know any kids that could do with a game of footy please call Jo Waetford on 0407 827 610.

We must now push forward and concentrate on fundraising for the club so as to insure we are financially positive and can therefore support our efforts to improve our services and facilities as this is

The Raging Bull

critical to our development as a successful football club. Please support the Juniors upcoming events that include a "Chocolate Drive" and "Trivia Night" to be held on Friday 27th June. Only \$10 entry.

***One ex president who is now a ventriloquist was "Yellowed" on Sunday during the U16's for throwing his voice at an umpire. Some background on this bloke.....Favourite song-Mellow Yellow, Fav transport- Yellow submarine or Yellow cab, Fav Holiday spot- Yellow River. Get the point big fella?

Don't forget Sunday nights from 5pm. Drinks are cold food and company are warm. Free entry to anyone with a pulse!!!!

GO JUNIOR BULLS!!!

Auskick Karingal

The Baby Bulls

Auskick started with a big bang last Sunday with a massive 43 registrations and another possible 12 next Sunday.

The children were put into groups and started to learn important ball skills, a massive effort from Jason who manage to keep it under control and has kindly volunteered to be the coach for the rest of the season. Speaking of coaches we were very lucky to have a Dad volunteer who just happens to coach Auskick in the Outback, Thanks and Welcome to James.

I would also like to thanks Jo Murray who helped with registration, handing out of the packs (which we ran out of!) and cooking the BBQ. It was a very big day, lots of fun and lots of parent participation. A very positive feel and hopefully we can delivery two under 9 teams in two years time, fingers crossed.

The Raging Bull

Again I extend the offer of any team/players wanting to come down and visit one Sunday please call me, we would love a visit.

Week - Hogs Breath

Penny Prendergast

The Raging Bull

Apologies too many (if you get on the committee you know what you're getting into!!!) but also to Dave Groves with his amazing raffle ticket selling skills but was this week pipped by Canteen Girl Wonder. Even before she comes to the club at 8.30am she does miracles and deals with Tweeds but spent her whole day on her feet for the Club – even though she has a little tweeds inside her – Congratulations and kicked the club off to a wonderful start – Thanks and WELL DONE Penny – Please see Wally for your Hogs Breath Award.

Want a Mention in this Column? Go for it one and All!!!

Last Word

- AFL – Yes we seem to be mentioning the AFL for the Second week in a row – Wonder Why? Last week's results were as expected even right down to the Richmond choke – when you don't know how to win you don't know how to win. Cats and Hawks are looking miles in front of anyone else and the rest may be just making up the numbers but footy's a funny game – Who knows what might happen if Chris Judd Actually gets 100% fit – Whoa easy there BLUES Supporters!!!! Also Commiserations to all Saints supporters gain from their side for pretending to be a contender and also for stealing our Timmy Hirst this week – NOT HAPPY!!!
- Ace Peckett was born into this world on Sunday weighing approx 8 pounds 12. Congratulation to the Whole Peckett Family – just 12 more Pecko and your own footy team!!!
- Thank you to the surrogate Mums last week who seemed to spend an eternity in the female toilets with someone's daughter. Mrs. President had to start her home game duties by escorting a little "Lambys Number on my Back" to the toilet for a record 5 times in approx 10 minutes – Women who can ever figure them out???

The Raging Bull

- Kid Explosion last week at the BULLS – Great to see so many kids around the Club – next step for supporters club will definitely be the Kids club. First up Parent of the week award definitely went to Cam Mcleod who spent nearly the whole game with his daughter Leni who seemed none to impressed but the BULLS on fields antic but Dad was cool as a cucumber even thru the crying fit – Well Done Dad. More than can be said for the Father who allows his children to be seen IN Western Bull dogs and Hawks jumpers – Yucky!!! Where's there patriotic BULLS attire like the Groves Boys?
- BULLS Explosion – Last week also saw what could nearly on be classed as a BULLS reunion with many ex player, supporters and well wishers in attendance. Apart from Nigel from Hog Kong also Alistair Black who played in 1990 and 1991 Under 17 Premierships, The big Bake House in Paul Henderson with brother and Stevie Jones in toe and who could forget the one of the BULLS best ever performers James Khan who joined the Army – his best work was done on the ground but not in BULLS clothes!!!
- Lots of People asking where crowd favorite Big Bad Grant Goodall was last week... Unfortunate he's hurt his ankle but we should see him on the Paddock roughing up the opposition like no ones else's businesses again soon. Dunks and Granta look much bigger, mobile and aggressive than last year's hopeless combinations!!!
- Congratulations to Michael Burke and Luke Adams on being selected in the Senior Interleague squad. Massive effort for Luke and a miracle if Mick trains me thinks. Also this week Stingrays BULLS Ben Mitchell will return in a bonus – wait to see his development – Good THINGS ahead we see!!!
- Best Wishes to Amanda Constable who had an ACL reconstruction last week... BY all reports she is progressing nicely. Know she just has to listen to all the wonderful advice she gave out over the years as our head trainer... Look forward to seeing you on the HILL soon.
- George Constanza aka Ralph Hallal at footy last week was reserved even though the Kangas came from behind to

The Raging Bull

swamp and beat the pies – you beauty!!! The reason revealed later that someone is in fact threatening to sue him should he play on the skins side gain at Football Training!!! Ouch well said Jacko.

- Finally... Joke of the week... A couple in their seventies went to a sex therapist's office in Melbourne. The doctor asked, 'What can I do for you?' The old man said, 'Will you watch us have sex?' The doctor looked puzzled, but agreed. When the couple had finished, the doctor said, 'There's nothing wrong with the way you have sex,' and charged them \$50. This happened several weeks in a row. The couple would make an appointment, have sex with no problems, pay the doctor, and then leave. Finally the doctor asked, 'Just exactly what are you trying to find out?' The old man said, 'We're not trying to find out anything. She's married and we can't go to her house. I'm married and we can't go to my house. The Holiday Inn charges \$90. The Hilton charges \$170. We do it here for \$50 and I get \$43 back from Medicare. Is Australia great or what?' It sure is ... remember...
