Lots of people have generously donated time and goods.
The club has been overwhelmed. Once the Luncheon
money has been distributed, the club will be seeking
professional help to make sure all the funds are to be
received directly by the children to secure their future. This
may even require a foundation being set up – At this stage
our legal representatives tell us to continue to take
donations in the short term – The Balance currently stands

The Raging Bull

at \$11,262.22 as of Yesterday late. Thank you to all who have helped. All the donated goods will be raffles, auctioned at some stage this year to maximise the profit and all the money will again directly go to the trust or foundation, at that time. Max & Pam have expressed their Thanks to all for their wishes and kind hearts. Well done to the whole Frankston and beyond for your efforts. Thank you.

Busy, Busy & Busy is the only way to describe the last week at the Bull Pit. After tragedy rocked the Club the Senior BULLS provided a massive highlight overcoming Chelsea at home with a loud, enthusiastic and parochial crowd involved from start to finish – Go those Red and White Army Members!!! It must be said that the never say die BULLS came back from the brink several times to inspire what seemed unlikely victory. Buddha Hirst lead the way from start to finish with his scintillating pace – a real character of the 2008 BULLS – and was ably helped by Azza, Charra and Big Al in what must be said is showing our patience over the last few years is paying off. Andrew “Gosh Dad yells loud when I go near it” Osborne kicked 5 telling majors and several last quarter goals nearly had the roof off the Ballam Park Pavilion. The reserves couldn’t salute earlier as Clarky’s Boys struggled to nail down any

The Raging Bull

consistency – Gilly is proving to be a wonderful recruit. The Unders took the week off and got what they deserved. You cannot underestimate any opposition in peninsula Football and the young gulls gave us a lesson. Jaiden is certainly blossoming into a good footballer and was best for the young BULLS. Let's get some victories this week Boys.

Socially – Next Week at home is the Ladies Luncheon followed the week after with the Club Ball at the RSL – Tables are up on the board please grab yourself a seat NOW – Strictly limited tickets are available.

To this week – Away at Mornington and LETS SEE ALL RED & WHITE Sticking together and standing up on the Hill for the BULLS – We could set ourselves up for a massive 2008 - Good Luck and Remember... Coaches Report:

It was a very pleasing and extremely satisfying win against Chelsea. Each week our young / new players are gaining confidence in not only their own ability but that of their teammates as well.

There is a real obvious desire to do the team things and show support for each other both on and off the field which was reflected in our never give up attitude on the weekend.

There is nothing more pleasing to see Karingal players hunting the ball in packs, outnumbering the opposition, applying fierce pressure and gang tackling our opponents into submission.

Once again we showed what will happen if we knuckle down, play accountable, hard, tough, quick & exciting football – we kick goals and we do not have to rely on any one individual. All 22 that represented the Bulls in the seniors made a significant contribution.

That must become our minimum standard. In the end we only played 2 & ½ quarters of good football. Our starts must get better – they are so important and our goal kicking needs to improve. I couldn't question anyone's effort or willingness to put their body on the line. It is a great feeling when you can honestly look your teammates in the eye after a game and even better when you're singing the club song surrounded by supporters, family and friends.

We must play 4 quarters against this week's mob to be competitive. As good as we were last week, we must lift our effort even more.

This is a big game, but no bigger than any other of the 18 home & away games we play. Once again, win, lose or draw it's all about 100% EFFORT & RESPECT. Pecko

Reserves – 10th

Karingal 6. 8 44

Chelsea 14. 9 93

Goals: Chris Deka 2, Daniel Green 2, Chris Lindley 1, Bradley Clark 1

The Raging Bull

Best: Glenn Gillan, Jim Martinson, Chris Lindley, Chris Deka, Travis Jack

Coaches Report:

A disappointing result last week against Chelsea, considering we went in with high hopes. The first quarter saw us with a steady start however there were many missed opportunities throughout. We went to sleep in the second, which saw us a disappointing 4 goals down at half time. With a significant improvement after half time, we controlled 90% of the play but were unable to capitalize. At the opposite end of the ground, Chelsea had 4 inside 50's which converted to 2.2 compared with our 1.2. Disappointing, as we did all the attacking in the third. Chelsea scored early in the final term, which hindered our comeback and allowed them to runaway with the game. Overall a disappointing effort by all, however key players were Glenn Gillan doing another fantastic job down back for us, and Jimmy Martinson who worked hard winning all of his contested possessions. Quality opposition this week in Mornington, will be a big test so looking for all to step up, work together as a team and get the points on the board! Clarky

Under 18s – 6th

Karingal 7. 9 51

Hastings 13. 11 89

Goals: Madison Nord-white 2, Aaron Hall 2, Corey Macfarlane 2, Justin Smith 1

Best: Jaiden Peters, James Paxton, Nick Dossor, Stephen Phillips, Madison Nord-white, Justin Smith

Coaches Report:

Well what a turnaround from last week, as if the U'18 'B' side turned up on the day. The same team just different attitude. They either, thought they had the game won because they had a good win the week before, or just didn't care too much about the result. It was a shame because we now have a tough five weeks ahead of us against the top echelon of teams. We have to understand that the

The Raging Bull

difference between us playing well or not, irrespective of the result, is the amount of effort we put in, i.e. intensity at the ball. Hard work = success = enjoyment. We now have a major challenge ahead next week against Mornington. Let's see the U'18 'A' side turns up and put in a spirited performance. Craig Shaw

ANNUAL BALL

2008

Saturday 24 May (Round 6)

This year the MPNFL will celebrate its Centenary; 100 years of football (1908 – 2008). To commemorate this milestone, the MPNFL have released a calendar of Centenary Celebrations to run throughout the 2008 season, in what will become the largest sustained celebration of local sport and its history, undertaken in our region.

The Raging Bull

As part of these celebrations, Round 6 (Sat 24 May) has been named the Zaidee's Rainbow Foundation round. Established by Allan and Kim Turner in 2004, after the sudden passing of their 7 year-old daughter Zaidee, the foundation is dedicated to raising awareness and inspiring people to talk about organ and tissue donation. Originally from the Mornington Peninsula, the Turner family had been long-time registered organ and tissue donors when Zaidee passed away. In 2004, the year Zaidee passed, she was the only child in Victoria, under the age of 16, to be an organ and tissue donor.

Australia has one of the *lowest* rates of organ and tissue donation. Through initiatives such as Zaidee's Rainbow Foundation and the MPNFL's Round 6, we are aiming to raise organ and tissue donation awareness, and encourage you to talk about Zaidee's story with your loved ones. During Round 6, all players, umpires and supporters will be asked to wear Zaidee's Rainbow Shoelaces, as part of the foundation's awareness campaign, and to show your support.

The Karingal FC Annual Ball, to be held the evening of Round 6, will continue with Zaidee's theme. Supported by the MPNFL, local media and Zaidee's Rainbow Foundation itself, this year's Annual Ball is guaranteed to be a very special event, one to remember. Mark your diaries, Sat 24 May at Frankston RSL.

Tickets are now available for purchase; there are a limited number available, so don't miss out! See Digger!

For information on Zaidee's Rainbow Foundation and/or organ and tissue donation please visit www.zaidee.org. A full list of MPNFL Centenary Celebrations can be found at www.mpnfl.com.au.

Karingal FC – Well Done to all the BULLS big and small who have lead the way recently in many things. All VOLUNTEERS are very much appreciated for their efforts in making the CLUB such a wonderful place to be in Year 2008. Special Mention to Robyn Burke, the Senior President, whose leadership and work ethic over the last few weeks has been nothing short of sensational. GO BULLS

Last Word

- AFL – Yes the Weekend off to recover from last weeks results. Judd was good but Phil Weare's favourite Carazzo was better as the Blues completed a smash and grab in the west. Its official the SLEEPING GIANT has awoken and Finals may even be a chance. Cats won easy, Dogs showed true grit and may be the real deal and Hawks did everything anyone could want with the insipid Pies. Tigers and Saints – wow a worse game you may never see – and Gold Coast Schoolies Captain Nick Riewoldt hurt his knee again – things aren't looking good down there. The Tigers are still looking for the 14 seconds that went missing??? Bombers are gone – Yeah!!! North beaten by Crows and FINALLY the Demons came back from 51 down to defeat the Dockers. Well done to all the long suffering Demon fans out there...
- **Gothard Family has had a massive week – Kath and Dale returned from the wonderful trip to Queensland and youngest**

The Raging Bull

son Danny had got himself engage to the lovely Jess – Well Done Danny boy. Beau is recovering nicely from an ankle disaster and where is Ben? Where are you Benny – even your little beat you to the punch – Kate its time to start demanding action. Good Luck Benny.

- Trust Highlights – This week whilst banking the ANZ I was told a remarkable story about how much Tracey's tragedy had touched everyone in the community. A little boy of 8 years old came into the branch with his life savings in a piggy bank and gladly donated it to the trust. Many of the workers and customers were moved to tears by this boy's generosity and it must be said it has been remarkable to the response. To all who attended the funeral no one will forget the strength and message of Jamie Lee as she said goodbye to her mother – Kids really are the inspirational – Treasure them all. Well done to all our PLAYERS who in a whip around last night found an extra \$500 plus for the Kids Trust... truly galvanising the club and community.
- This week no doubt will be billed as just another game etc etc... and it may well be except for the simple fact is that if we win this week we can in fact consolidate ourselves in the top 4 and really put to rest the doubters on our credentials in 2008 and beyond. Every week there is INS and out but to WIN we must have the same desire and determination every week not just at home. The test come at 2.15 this week and we wish all the best – even some who had blue added to their loyalties. Make sure the little man gets what's coming to him – Luke Ritchie this is your chance to shine but keep it clean and remember – GO BULLS!!!
