*Well if we thought it was a highlight last week against Chelsea then I for one can't explain how much of a buzz it was to win down at Mornington. With maybe a few things to prove the boys gave it their all, and boy wasn't the Red and White Army out in force! Well done to all at the Club for the support for the boys, I'm sure they appreciate it. As we move forward we come up against our old foes in YCW so*

The ladies of the club will be enjoying a lovely lunch (which is sold out!) With plenty of goodies and all proceeds will go to the Harley and Jamie-Lee Greenbury trust. ## Harley & Jamie Lee Trust Update

The Account currently stands at over \$13,000 which is just an amazing effort by all to make it possible – Well Done. We have been overwhelmed by all the donation not only to the trust but also in goods and some services – including a well know band, a whipper snipper plus many other things – FANTASTIC. The reality is that the Club is just unable to reach enough people to be able to get the appropriate response for the Trust so In coming weeks many donated items will be lent to other Community and Work groups to use as raffle items so that the WHOLE Community can get involved. If you would like to run a raffle or similar please return email myself ASAP.

### Coaches Report:

It was a game that many others and I had been visualizing for some time; in fact I had been having dreams about it since the end of the 2007 season. Personally for me it was shattering not to be out there with my teammates taking on the enemy however to coach from the sidelines and watch the boys grind out a terrific win once again highlighted to me what we as a team are capable of moving forward. I think we can be a Great Team as opposed to a great side – the difference is that Great Teams use each other (all 22) to get a result where as great sides rely on individual brilliance to get the job done. So far this year we have had to bring a number of the guys up from the 2's to play a role

# The Raging Bull

in the seniors. To their credit they have all had an impact. I believe that this is where we can have a distinct advantage over our opposition. It takes Leadership, Spirit, Morale and Consistency of Effort to be a Great Team. On Saturday we had a 4 qtr effort which included a strong start against Mornington right through to the final siren. There was fierce pressure applied for most parts of the game all over the ground with a few lapses of concentration costing us goals by the opposition. Our goal kicking is still frustrating and needs to improve. Two weeks in a row now where we could have blown the opposition out of the park early in the game. We don't want inaccurate kicking to cost us come the end of the season with such an open race to the finals so far this year.

It is a massive challenge for us this week to maintain the rage. This game is now the most important game of the year. Our performance will be a reflection on just how important we as a team perceive it to be. YCW at our home ground – does not get much bigger than that. We are the inform team, we have spirit, morale, confidence & belief in each other. We must maintain the rage towards becoming a Great Team. Only our level of EFFORT can hold us back. I'm looking forward to a great battle. PECKO

## Reserves – 10<sup>th</sup>

## Coaches Report:

# The Raging Bull

Last week against Mornington, even though we went down by 9 goals, I was happy with the way the boys played. We are finally starting to link, play as a team and follow the team rules, unfortunately we were just beaten by a better side. First quarter we got off to a sluggish start which we will need to work on, but finally found our feet and were able to create pressure for the opposition, even if not for long. Mornington's rebound football was fantastic all day and proved to be the difference, something we need to work on and overcome. In the third term, we created all the play and attacked strongly, however didn't capitalize and weren't able to put the points on the board. Our mid-field really came together in the final term, having six centre clearances to Mornington's one – something we have been working hard during training, and finally paying off. This week, arch rivals YCW at home, a great opportunity and plenty of motivation to finally put 4 strong quarters together and have a win. Clarky

## Under 18s – 8<sup>th</sup>

Karingal                    3.   2   20

Mornington            27. 22 184

Goals: Ryan Cory Hurford 1, Stephen Phillips 1, Anthony Stooke 1

Best: Nick Dossor, Stephen Phillips, Justin Smith, Anthony Stooke, Callan Dixon, Jaiden Peters

## Coaches Report:

In my absence on Saturday, Darryl Dixon coached the under 18's which I'd like to thank him for, and he was pleased with the effort that the guys put in against a really good skilled and well-drilled side. It is always going to be

# The Raging Bull

hard competing against the top 5 sides, because of the sheer number of players they have to pick from, however I think we can still cause a few scares, if not upsets if we continue to pressure for 4 quarters. Our second quarter, when we had high numbers of tackles and 1%'s we kicked 3.1 of our 3.2 for the day to mornington's 5.6. We just need to be more consistent with our pressure and intensity. There were a few new names in the best players which is good to see that the whole side is improving and not relying on the same people each week. Another big test this week against old foes YCW, let's really have a crack at them, and make them earn every kick. Craig Shaw

## Pennism

Penna was conversing this week about how the timing of his Las Vegas trip was perfect with his older legs just enjoying a couple of weeks off mid season. When he said he was actually quite surprised so many married me were allowed to go there for 5 nights etc... Penna said "Speaking to Louise she said that there would be no way known I'd be allowed to go if we were still together" Easy Penna don't tarnish us all with the same brush - Luckily enough Girls, Penna believe it or not is still single.

## Karingal Auskick

This week we held a coaching clinic for all to attend, and what a response we had, with a massive 18 parents attending. This has now ensured us that we will have plenty of parents to help with the every growing Auskick. Yes that's right another two registrations last week. With so many kids, we held our first grid match to get the players used to running up and down, kicking the goals and passing. It was a very interesting twenty minutes with a few bingles but we can see the potential!!!!

# The Raging Bull

Congratulations to Benjamin Hamment for gaining the Bull of the Week award. Ben achieved two goals in the grid match and focused well.

It's been confirmed that on the 31st May, twenty five of us will be attending the MCG for a training session. It should be loads of fun and a great memory.

It is very exciting to see the group coming together and although they are little, they are very enthusiastic. Thanks to coaches Jason, James and Rob for all their efforts.

## **Last Word**

- Last week was a wonderful experience behind the Bar at Luke Ritchie's 30<sup>th</sup> – Well Done To Luke – not many

# The Raging Bull

people thought he'd make it!!! Also getting everyone there to waive any previous monies owed a master plan also... god only knows how much he saved there!!! Thank you also to the old canteen girls who spent the whole night telling the bar staff how ordinary our drink selections are – take note Moose & Nails. When quizzed on there expertise on alcohol one replied “How else do you think I married Michael?” Ouch Anyone Congrats To Michael Burke this week on his 150<sup>th</sup> Senior Games – a loyaler servant you cannot find, lets only pray his next 150 are ½ as good as the first. Well done Mick!!!

- **Even the Treasurer makes mistakes – We've finally caught Wally out. Never a happy period for Jeff – Match Payments – and you would have thought he'd get it right but last week he didn't. Travis Jack look bewildered when Jeff handed him an envelope and walked off. He returned it and replied you may want to pay it to my brother. There's no excuse not even because they are identical twins. Well Done to Travis on playing 1<sup>sts</sup> last week – Maybe Ann should put her hand out for that payment Jeff?**
- Shaun Johnston made his name as a rough and tumble tagger in the late 90s. Never fear with Johnno around but what's happened in recent times? The hard man has become a marshmallow. Shaun wasn't allowed to go to the footy last week until his chores were done including mowing, vacuuming and doing the dishes. He never made it – Lest hope he has everything done before the 10 year reunion next year – or else we might just send Rowey around to pick you up!

# The Raging Bull

- Credit where due to The Mornington Committee last week. Not only on the "Women in Sport" day did they invite all the Lady Bulls up but they also presented them all with flowers plus the lunch. After the game President Dennis Matthews also made a fine speech and Mornington Football Club donated \$200 to the Harley & Jamie Lee Trust. Well Done Doggies on some fantastic efforts proving once again that Footy people truly are the best.
- Luke Van Raay has a band. But shhh it's a secret. Including Patty Van Raay but once again black sheep Doug has been left out. The Band name of course "No Doug's Allowed" SO secretive the band that at their first gig recently no family or friends were allowed to go... Watch this space
- Joke of the Week: A husband and wife came for counselling after 20 years of marriage. When asked what the problem was, the wife went into a passionate, painful tirade listing every problem they had ever had in the 20 years they had been married. She went on and on and on: neglect, lack of intimacy, emptiness, loneliness, feeling unloved and unlovable, an entire laundry list of unmet needs she had endured over the course of their marriage. Finally, after allowing this to go on for a sufficient length of time, the therapist got up, walked around the desk and, after asking the wife to stand, embraced and kissed her passionately as her husband watched with a raised eyebrow. The woman shut up and quietly sat down as though in a daze. The therapist turned to the husband and said, "This is what your wife needs at least three times a week. Can you do this?" The husband thought

## The Raging Bull

for a moment and replied, "Well, I can drop her off here on Mondays and Wednesdays, but on Fridays, I play golf"

- Finally – It's been really pleasing to watch us WIN against expectation for 3 of the first 4. The reality is that we now have destiny in our own hands. This week is a great challenge and great sides rise to the challenge – GO BULLS!!!
