### *Harley & Jamie Lee Greenbury Trust*

As you are all aware Tracey Greenbury lost her life last week in tragic circumstances – her father Max is a life member and legend of Karingal Football Club, A real salt of the earth man.

Unfortunately Tracey has left the world with 2 children Jamie Lee who is 9 and Harley who is 13. A lot is ahead for these 2 without the

support of a Mum or Dad. AT the Moment the Children are staying with Tracey sister Leonie who already has 3 children of her own to fend for – You CAN make a difference. A trust account has been set up for the children by Karingal FC with a Club signatory and Max as trustee for the kids (as grandfather) to handle the outgoing costs and expenditure. This money will all go directly to the KIDS for the KIDS. They already need Winter Clothes.
